Treasure Island Community Development (TICD)
PHASE ONE CONSTRUCTION ADVISORY
 UPDATED 9th Street Traffic and Pedestrian Realignment

On Friday January 4, 2019, TICD will realign traffic lanes on 9th Street between Avenue B and Avenue H in order to establish a construction haul route along the southern side of 9th Street. This realignment will be in place for approximately 18 months. Work will be completed and the new final traffic alignment set by end of day on Tuesday January 8th. The Island community can expect the following:

Throughout the workday on Friday, January 4:

- MUNI 25 bus stop at Avenue D and 9th Street will be closed and remain closed through the duration of the realignment. Riders will board the MUNI 25 at the 9th Street stops located at Avenue B and at Avenue H.

- Traffic adjustment and lane realignments will be enacted, with traffic control flaggers present, between Avenue B and Avenue H along 9th Street.

- Installation of temporary barriers, traffic and pedestrian signage, road striping and additional construction fencing in support of lane realignments.

On Monday, January 7th and Tuesday, January 8th:

- Installation of permanent barriers along the southern end of 9th Street for traffic and lane realignments.

New 9th Street traffic circulation as of end of workday, Tuesday January 8th:

- Both westbound and eastbound traffic along 9th Street will travel on the northern side of 9th Street between Avenue B and Avenue H.

- Pedestrian travel will be maintained on a sidewalk along the north end of 9th Street between Avenue D and Avenue H.

- Cyclists and vehicles will share the road through the impacted areas along 9th Street.

- MUNI 25 bus stop at Avenue D and 9th Street closed. Riders will board the MUNI 25 at the 9th Street stops located at Avenue B and Avenue H.

- There will be no on-street vehicle parking allowed on 9th Street between Ave. B and Ave. H.

- All other on-Island streets and intersections remain open.
