Treasure Island Community Development (TICD) will have flaggers and temporary traffic lane realignment in place along Treasure Island Road at the Macalla Road intersection on Thursday January 9th, 2020 between approximately 11:00 AM and 2:00 PM during in-street work on Treasure Island Road.

The Treasure Island community can expect the following:

- Slight lane shifting, traffic control and flaggers through the work area.
- Both inbound and outbound lanes will remain open at all times.
- No impacts to the MUNI 25-Treasure Island route.
- No impacts to emergency vehicles responding onto, or traveling off of, Treasure Island.

See below for diagram of work area. Please drive safely and share the road on-Island at all times!
