Treasure Island Community Development (TICD)

PHASE ONE CONSTRUCTION ADVISORY

Avenue of the Palms/Treasure Island Road Realignment

Avenue of the Palms Closure - California Ave. to 9th Street

On Monday April 16th, 2018, TICD will close Avenue of the Palms between California Avenue and 9th Street, and will realign traffic lanes on the Causeway connecting Treasure and Yerba Buena Islands. Work will be completed by end of the workday on Monday April 16th. The Island community can expect the following:

Early morning of Monday April 16th:

- Avenue of the Palms permanently closed to north-south vehicle, pedestrian and cyclist traffic between California Ave. and 9th St.

- Closure of all remaining parking spaces and public viewing areas along the western shoulder of Treasure Island Road and at the Front Gate.

Throughout the workday on Monday April 16th:

- Traffic adjustment and lane realignments, with traffic control flaggers present, between Macalla Road on YBI and California Ave. on TI.

- Installation of traffic detour signage, road striping and additional construction fencing.

New Island traffic circulation as of end of workday, Monday April 16th:

- Both inbound and outbound vehicle traffic will be on the west side of the Causeway between Macalla Rd. and California Ave.

- All local north-south Island traffic between California Ave. and 9th St. will now travel along Avenue H, Avenue M, and Avenue N.

- Cyclists and vehicles will share the road through the impacted areas on Treasure Island Road, Avenue of the Palms and California Ave.

- Administration Building vehicle parking lot for TI Marina, Island Market Deli and Administration Building access will be off Avenue of the Palms through the lot’s northern entrance only.

- All other on-Island streets and intersections remain open.

See Phase 1 traffic circulation and detours diagram on reverse of this flyer.
