The SF Water Department and TICD contractors will perform in-street work on Treasure Island water system infrastructure at Treasure Island Road and Clipper Cove Way requiring one-lane traffic control with flaggers through the area during work hours. The Island community can expect the following:

**Dates/Time of Work:**

- Work period is **Monday April 29th, 2019 through Wednesday May 1, 2019**
- Work and associated traffic control occurs between **8:00 AM and 4:00 PM daily.**
- No weekend work or associated traffic control will occur.

**Nature of Work and Traffic Impacts:**

- Flushing and chlorination of new water line running along Clipper Cove Way
- Vehicle and cyclist travel only in one lane through work area.
- One-way traffic control with flaggers will be in effect at each end of the work zone during the workdays.
- There are no impacts to the MUNI 25 bus route nor to active MUNI 25 stops.
- There is no impact to Administration Building, Marina and Island Market Deli parking and access.
- Please plan accordingly for slight delays at the intersection of Treasure Island Road and Clipper Cove Way during work period.

Please call the TICD Construction Hotline with any questions or concerns related to construction activities associated with the redevelopment of Treasure Island and Yerba Buena Island.
