Overnight on Sunday August 19th into Monday August 20th, TICD will open a new Forest Road Detour road on Yerba Buena Island to carry motorists from the Bay Bridge Westbound off-ramp to Hillcrest Road. From Hillcrest Road, motorists will continue along Treasure Island Road to reach Treasure Island.

**See Forest Road Detour road diagram on reverse of this flyer.**

The Island community can expect the following impacts and changes:

**Overnight Sunday August 19th into Monday August 20th:**

- Forest Road Detour road opened to carry two-way traffic between Northgate Road and Hillcrest Road providing access to/from the new Westbound On/Off Ramps and United States Coast Guard.

- Macalla Road will close to all vehicle, pedestrian and cyclist traffic between Northgate Road and Treasure Island Road.

- Bay Bridge YBI Westbound Off-Ramp (from East Bay) closed on Monday the 20th from 1:00 AM to 5:00 AM. **RAMP CLOSURE CANCELLED**

**New Yerba Buena Island traffic circulation as of Monday August 20th:**

- There is no regular impact to the Bay Bridge YBI on-ramps and off-ramps.

- There is no regular impact to the MUNI-25 Treasure Island bus route.

- All other currently open YBI streets will remain open.

- Motorists and cyclists should expect increase in two-way traffic along Hillcrest Road.

- From Treasure Island, motorists wishing to reach the new Westbound On-Ramp east of the Bay Bridge tunnel, or other destinations on YBI, will need to take this Forest Road Detour road over the top of YBI to Northgate Road.

- Cyclists and vehicles will share the road through the impacted areas on Hillcrest Road and Treasure Island Road. There are no bicycles or pedestrians allowed on the new Forest Road Detour road.

Motorists should expect additional traffic control and road work along Forest Road Detour road for the next several months after the initial August 20th opening. Forest Road Detour road will remain in use over the next 18 to 24 months during the widening and reconstruction of Macalla Road.
