Treasure Island Community Development (TICD) will temporarily close Treasure Island Causeway in both directions at the Clipper Cove Way intersection for approximately 15 minutes late on the night of Friday, September 20, 2019 for telecommunication infrastructure trenching and installation across the bottom of Treasure Island Causeway.

**EXCEPT FOR EMERGENCY VEHICLES, THERE WILL BE NO THROUGH TRAFFIC ALLOWED DURING THE 15 MINUTE WORK PERIOD.**

The Treasure Island community can expect the following between 11:00 PM and 12:00 Midnight on Friday September 20th:

- All outbound vehicle traffic will be held on Clipper Cove Way and all inbound vehicle traffic will be held on Treasure Island Causeway for approximately 15 minutes during the work period.

- Contractor will start the Temporary Closure after the MUNI 25 bus has passed the work area to assure no delay to the MUNI bus route running that time of night.

- The closure will be lifted IMMEDIATELY in the event of incoming or outgoing public safety responding vehicles.

- After the 15 minute full closure, one lane will be re-opened to accommodate two-way traffic, with traffic control and flaggers. Once backfill is completed then both lanes will be re-opened.

- Motorists traveling to and from the Island on Friday September 20th, 2019 between 11:00 PM and 12:00 Midnight should expect delays and should plan their travel accordingly.

See reverse for map of closure area.
