Treasure Island Community Development (TICD) will switch all traffic lanes on the Causeway between the intersections of Macalla Road and Clipper Cove from the current eastern half of the Causeway to western half of the causeway on Monday, June 15, 2020. Please see associated public advisory for details regarding the traffic switch. As part of the traffic switch, pedestrian pathway on eastern half of the Causeway from Clipper Cove Detour Road to Quarters 10 will be closed to the public on Monday, June 15, 2020.

In preparation for reconstruction of the eastern half of the Causeway, northern portion (as delineated by the existing wooden staircase from Quarter 10 parking lot to the beach) will be closed to the public starting Monday, June 15, 2020 to March 2021. Southern portion of the Clipper Cove Beach will remain open. See reverse for diagram of the closure limit.

The Treasure Island community can expect the following starting on June 15, 2020:

- Pedestrian pathway from Clipper Cove Detour Road to Quarters 10 parking lot on the eastern side of the Causeway will be closed to public.

- Water access to southern portion of Clipper Cove Beach will not be affected by this closure, but the northern portion of Clipper Cove Beach will be closed to the public.

- There will be no landside access to/from the beach except for Emergency Personnel.

- TICD anticipates restoring pedestrian access to Quarters 10 and Clipper Cove Beach by March 2021.

TICD Construction Hotline (888) 469-0797

Please call the TICD Construction Hotline with any questions or concerns related to the above work or to other construction activities associated with the TI/YBI redevelopment project.
