

The Navy Invites You to Join the
**TREASURE ISLAND
ENVIRONMENTAL RESTORATION
ADVISORY BOARD**

The Treasure Island Environmental Restoration Advisory Board (RAB) has been established by the Navy to provide a forum for discussing the ongoing environmental investigation and cleanup program underway on Treasure Island and Yerba Buena Island. The RAB is composed of members of the local community as well as representatives of the Navy, U.S. Environmental Protection Agency, California Environmental Protection Agency, the City of San Francisco, and other public agencies. The RAB is intended to bring together community members who reflect different interests within the local community and foster the exchange of information, concerns, issues, and ideas between these community members and the Navy, City, and regulatory agency representatives. Members of the RAB may be asked to review information on base cleanup activities, including draft technical documents. Although the RAB is not a decision-making body, its views and input will help influence the environmental restoration decision-making process.

The Navy encourages you to consider joining the Treasure Island RAB. Applications for membership are now being accepted. As a community member, there is no requirement to have any special skills or qualifications. To learn more about the Treasure Island RAB, you may attend the next RAB meeting, held every third Tuesday of alternate months at 7:00 p.m. at the Treasure Island Casa de la Vista. You may also learn more about the RAB by contacting Mr. James Sullivan, the Base Closure Environmental Coordinator, at james.b.sullivan2navy.mil.

MEMBERSHIP APPLICATION

TREASURE ISLAND
ENVIRONMENTAL RESTORATION ADVISORY BOARD

Conditions for Membership: The Navy considers the Restoration (RAB) to be an instrumental part of the cleanup effort. We consider RAB membership an important obligation. Duties and responsibilities will include attending meetings, and reviewing and commenting on technical documents and activities associated with the Environmental Cleanup Program at Naval Station Treasure Island. Members will be expected to be available to community members and groups to facilitate the exchange of information and concerns between the community and the RAB. Priority for RAB membership will be given to local residents and tenants who are impacted or affected by the cleanup and reuse of Naval Station Treasure Island. (If you need additional space, please use a separate sheet of paper.)
