A. Landlord owns portions of the property known as the Naval Station Treasure Island, including the Premises described in Recital B. Landlord acquired the property from the U.S. Navy in accordance with the deed attached hereto as **Exhibit A** (the "Navy Deed"). Landlord leases other portions of the Naval Station Treasure Island, but intends to acquire such portions from the Navy in accordance with Economic Development Conveyance Memorandum of Agreement Between the United States of America, acting through the Navy, and Treasure Island Development Authority, dated July 2, 2014 (the "EDC").

B. Under the Treasure Island Conversion Act of 1997 (AB 699), the California legislature, among other things, granted Landlord the right to lease that certain real property that consists of the water area located in Clipper Cove, as well as unrestricted water access into and out of Clipper Cove more commonly known as the Treasure Island Marina, as shown on the diagram attached hereto and incorporated herein as **Exhibit A-1** and described in **Exhibit A-2** (the "Premises"). The Premises shall also include, to the extent required, a license for the use of areas held by Landlord for required utility lines and individual and vehicular access to the Premises, including water, pedestrian and vehicular access into and out of Clipper Cove and a license over roadways and other public access areas as needed to provide nonexclusive landside access to the Premises (the "License").

C. The Premises has been previously developed as a small recreational craft marina for approximately one hundred ten (110) boats and shoreline facilities.

D. Landlord and Tenant have entered into an interim sublease for the Premises dated September 2, 1998 (the "Interim Sublease"). On the Lease Commencement Date, the Interim Sublease shall automatically terminate.

E. Landlord and Treasure Island Community Development, LLC, a California limited liability company ("TICD" or "Master Developer"), entered into that certain Disposition and Development Agreement dated as of June 28, 2011, as recorded in the Official Records of the City and County of San Francisco and as subsequently amended (as amended from time to time, the "DDA"). The DDA grants to Master Developer the right to acquire and

Nothing in this Lease, however, gives Tenant any rights against Landlord as a result of TICD's performance or nonperformance under any agreement between Tenant and Master Developer.

G. The San Francisco Board of Supervisors reviewed the Tenant's marina plan on June 5, 2018, and unanimously passed Resolution Number 173-18, File Number 180331, finding the footprint of the new marina consistent with the development Reuse Plan and marina redevelopment does not diminish existing public recreation in Clipper Cove. A true and correct copy of the Board's Resolution, including a map of the final Marina Plan is attached hereto as **Exhibit C**.

H. Landlord desires to lease the Premises to Tenant and Tenant desires to lease the Premises from Landlord upon the terms and conditions contained in this Lease.

December 2014). Under the Final Land Use Control Remedial Design, Installation Restoration Site 27, Naval station Treasure Island, San Francisco, California (Tetra Tech EM, Inc. May 2013) and the Final Land Use Control Remedial Design Addendum, Installation Restoration Site 27 for Former Naval Station Treasure Island, San Francisco, California (Multimedia Environmental Compliance Group April 2015) (the “LUC RD”), notice and restrictions are required to prevent the potential exposure of ecological receptors to lead shot remaining at the Premises and to maintain the integrity of the Navy’s remedy consistent with the restrictions set forth in Article IV of the CRUP. Tenant agrees to comply at all times with the CRUP and the LUC RD, and acknowledges and understands that a Site Management Plan acceptable to the Navy and DTSC will be required as set forth in the CRUP. Tenant further agrees to perform all maintenance, monitoring, inspection and reporting obligations required by the CRUP, the Navy Deed, and the MMRP, and any regulator with jurisdiction over the Premises or Tenant’s use of the Premises. Tenant shall provide a copy to Landlord of all annual and other inspection and monitoring reports not less than fifteen (15) days before the date it is required to be submitted to a regulator, for review and comment, and Landlord shall have the option of co-signing any report if Landlord chooses to do so. Tenant shall provide to Landlord, within five (5) business days following receipt, a copy of all correspondence from any federal, state or local regulator relating to the condition of the Premises or the use of or operations on the Premises. Tenant shall Indemnify Landlord against any breach or violation of the requirements of this subsection.

(f) No Subsurface Rights. Nothing in this Lease gives Tenant any right to any subsurface rights, including but not limited to any mineral, oil, gas, water, or other rights relative to the land.

(g) Accessibility Inspection Disclosure. California law requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“CASp”) to determine whether the property meets all applicable construction-related accessibility requirements, but the law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises have not been inspected by a CASp.

(h) Disability Access. Tenant acknowledges that before the execution of this Lease,

City provided Tenant with, and Tenant signed, the Disability Access Obligations Notice described in Section 38.3 of the San Francisco Administrative Code. Landlord makes no representations regarding the current condition of the Premises as it relates to disability access, and Tenant agrees that the Initial Improvements will satisfy all disability access requirements.

(i) DDA. Tenant has reviewed the DDA, including the Land Use Plan, the Transportation Plan, the Infrastructure Plan and the Schedule of Performance. Tenant is aware of the potential impacts on the Premises of the proposed development under the DDA. Tenant understands and agrees that Landlord and Master Developer may amend the DDA and related transaction documents, each in their discretion, and that no such amendment shall require the approval of Tenant. Upon request, Landlord agrees to keep Tenant informed as to material matters relating to the development of the Project Site under the DDA.

(j) Treasure Island Development. Tenant understands that Master Developer is performing significant work on and around the Premises as required under the DDA, including constructing, repairing, replacing, operating and maintaining storm drain and sewer improvements, site grading, and completing geotechnical work and other improvements (collectively, the “DDA Work”), and that the DDA Work may impact Tenant’s use of the Premises during construction. Tenant agrees to cooperate with Master Developer in the performance of the DDA Work, and shall not take any action to interfere with Master Developer’s ability to complete the DDA Work. Tenant agrees to provide access to the Premises as needed by Master Developer to complete the DDA Work and as approved by the Authority Director, as more particularly set forth in Section 21.1(d). Tenant’s refusal to cooperate or to provide access as required in this section shall be deemed a material default, and Landlord shall have the right to take back such portion of the Premises as may be required from time to time to allow Master Developer to complete the DDA Work. Any costs incurred by Landlord in exercising its rights under this section shall become Additional Rent, payable within 30 days following Landlord’s delivery of an invoice of such costs.

(k) Public Trust. Tenant understands that Landlord entered into a Compromise Title Settlement and Land Exchange Agreement for Treasure Island and Yerba Buena Island, recorded on January 14, 2015, with the State of California, acting by and through the State Lands Commission (the “Trust Exchange Agreement”), pursuant to the Treasure Island Public Trust Exchange Act, Chapter 543, Statutes of 2004 as amended by Chapter 660, Statutes of 2007, Chapter 208, Statutes of 2009, and Chapter 429, Statutes of 2011, and the Treasure Island Conversion Act of 1997, Chapter 898, Statutes of 1997, as amended. In accordance with the Trust Exchange Agreement, the Premises are subject to the public trust for purposes of commerce, navigation and fisheries (the “Public Trust”), as administered by the Treasure Island Development Authority as trustee. Tenant’s use of the Property is at all times subject to and limited by the Public Trust, and any operation on the Premises must be consistent with the Public Trust, as determined by Landlord. Tenant shall not take or allow any act that violates the Public Trust. The Treasure Island Development Authority has determined that the use of the Premises as a marina is consistent with the Public Trust, although it reserves the right to limit or prohibit specific uses, in form or duration, that are not compliant with the Public Trust.

3 TERM

3.1 Term of Lease.

(a) Effective Date; LDDA Period. The Lease shall be effective on the date that all of the following have occurred: (i) it is signed and delivered by the parties, (ii) it is approved by the Authority's Board and the City's Board of Supervisors, and (iii) such approvals are effective and operative following any force majeure event (the "Effective Date"). From the Effective Date until the Lease Commencement Date, Tenant shall take all actions as needed to prepare Construction Documents, obtain financing for the Initial Improvements, obtain all Regulatory Approvals for the Initial Improvements, and take such actions as needed to satisfy all conditions for Landlord to issue the Notice to Proceed with the Initial Improvements, as set forth in Section 7.1. In other words, from and after the Effective Date but before the Lease Commencement Date, this Agreement shall function as a lease disposition and development agreement and Tenant shall continue to occupy the Premises under the Interim Sublease. On the Lease Commencement Date, the Interim Sublease shall automatically terminate and the Term of the Lease shall commence. Nothing in this Lease shall limit Landlord's or Tenant's rights under the Interim Lease, including Landlord's right to take any enforcement action and to terminate the Interim Lease in accordance with its terms.

(b) Term; Commencement and Expiration Dates. The initial term of this Lease (the "Initial Term") shall be for a period of sixty six (66) years commencing on the first day of the calendar month following the Effective Date during which Landlord delivers the Notice to Proceed with Initial Improvements as set forth in Section 7.1 (the "Lease Commencement Date") and, unless sooner terminated as herein provided, shall expire on the last day of the sixtieth (66th) year thereafter at 11:59 p.m., but in no event later than December 31, 2088 (the "Expiration Date"). For example, if the Lease Commencement Date is June 1, 2019, then the Expiration Date will be May 31, 2085. On or after the Lease Commencement Date, Landlord shall deliver to Tenant a written statement confirming the actual Lease Commencement Date, but Landlord's failure to do so shall not affect the date.

(c) Landlord Termination Right. If Tenant has not started construction of the Initial Improvements by December 31, 2020, then Landlord shall have the right to terminate this Lease by delivery of sixty (60) days' prior written notice to Tenant, and this Agreement shall automatically terminate on the expiration of such 60 day period (the "Termination Date") unless Tenant fulfills all conditions needed to obtain the Notice to Proceed with the Initial Improvements and actually begins construction of the Initial Improvements before the Termination Date. On the Termination Date, Landlord shall also have the right to terminate the Interim Sublease.

4. RENT

4.1 Rent. Throughout the Term, beginning on the Lease Commencement Date, Tenant shall pay to Landlord Rent as set forth in this Section and in the Basic Lease Information. For

each Extension Term, Rent shall be determined as set forth in Section 3.2. Rent shall be paid to Landlord without prior demand and without any deduction, setoff, or counterclaim whatsoever. Minimum Base Rent shall be payable on or before the fifth (5th) day of each calendar month, in advance, at the Notice Address of Landlord provided in Section 24.1 or such other place as Landlord may designate in writing, and Percentage Rent and Participation Rent shall be paid as set forth below in this Article 4. Beginning on the Effective Date, Tenant shall pay Landlord minimum annual rent in the amount of Ninety Thousand Dollars (\$90,000.00) (the "Minimum Base Rent"), with said Minimum Base Rent paid monthly in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) per month.). If this Lease terminates on a day other than the last day of a calendar month, then the monthly payment of Rent for such fractional month shall be prorated based on a thirty (30) day month. In the event that the California Division of Boating and Waterways (DBW) provides a loan or loans to Tenant for construction of the marina, DBW, as Lender shall not be obligated to pay the Rent, and loan proceeds will be used for construction only. Tenant shall remain liable for Rent due and owing during construction.

4.2 Minimum Rent Adjustments. Starting on January 1 2028 and each January 1 thereafter (each, an "Adjustment Date"), the Minimum Base Rent payable under this Lease shall be increased as follows:

(a) Index. The Consumer Price Index Urban Wage Earners and Clerical Workers (base years 1982-1984 = 100) for San Francisco-Oakland-San Jose area published by the United States Department of Labor, Bureau of Labor Statistics ("Index") published most immediately preceding the Adjustment Date ("Adjustment Index"), shall be compared with the Index published most immediately preceding the Commencement Date ("Beginning Index").

(b) Adjustment Amount. If the Adjustment Index has increased over the Beginning Index, the Base Rent payable on and after the Adjustment Date shall be set by multiplying the Base Rent by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Beginning Index. In no event shall the monthly Base Rent on or after the Adjustment Date be less than one hundred two percent (102%) or more than one hundred four percent (104%) of the monthly Base Rent in effect immediately prior to the Adjustment Date.

(c) Potential Conversion. If the Index is changed so that the base year differs from that used as of the date most immediately preceding the Commencement Date, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

4.3 Percentage Rent. Throughout the Term, beginning on the Lease Commencement Date, and each year thereafter (including any partial year, if any), Tenant shall pay to Landlord the higher of: (a) the then current Minimum Base Rent; or (b) the Percentage Rent. The term "Percentage Rent" shall be the percent of total Gross Income for each year set forth in

Exhibit E (or such percent as determined under Section 3.2 for an Extension Term). Percentage Rent shall be calculated on an annual basis. The accounting year shall be twelve (12) calendar months commencing January 1 and ending December 31. Percentage Rent shall be calculated in accordance with generally accepted accounting principles, and shall be reported by Tenant in an annual report (the “Annual Percentage Rent Report”), certified as true and correct and complete by Tenant under penalty of perjury, and certified by an independent third party accountant, which shall include the following:

- a. The total gross income for the accounting year (or portion thereof), itemized as to each of the business categories for which a separate Percentage Rent rate is established.
- b. The related itemized amounts of Percentage Rent computed, as herein provided, and the total thereof.
- c. The total Minimum Base Rent previously paid by Tenant for the accounting year within which the preceding month falls.
- d. The amount of Percentage Rent above the Minimum Base Rent, if any, that is due and payable to Landlord. Starting on the March 1, 2020 and thereafter on or before March 1st of each calendar year, Tenant shall deliver to Landlord the Annual Percentage Rent Report as set forth above. Percentage Rent shall be paid annually, in arrears, but only to the extent Percentage Rent exceeds the Minimum Base Rent previously paid by Tenant for that year and no rent credit is owed to Tenant. Concurrently with the delivery of the Annual Percentage Rent Report, Tenant shall pay the amount of Percentage Rent due and owing for the previous calendar year. If the Term ends before the end of a calendar year, Tenant shall deliver the Annual Percentage Rent Report for the final year within thirty (30) days following the end of the Term, and pay the amount due and owing at the time of delivery of the Annual Percentage Rent Report. Landlord shall have the right to review and audit such final payment consistent with the terms of this Lease.

4.4 Gross Income. The term “Gross Income” upon which the Percentage Rent is based shall include all income received by Tenant resulting from occupancy or use of the Premises in any manner, whether by Tenant, its subtenants or concessionaires, or parties operating through Tenant, its subtenants, or concessionaires, from whatever source derived, and whether for cash or credit. Gross Income shall include any manufacturer’s or importer’s excise tax included in the prices of the goods sold, even though the manufacturer or importer is also the retailer thereof, and it is immaterial whether the amount of such excise tax is stated as a separate charge. Gross Income, however, shall not include any of the following: (1) sales of United States postage; (2) any sales or excise taxes payable by Tenant to any governmental agency as a direct result of operations under this Lease, provided that the amount of such taxes is shown on the books and records elsewhere herein required to be maintained; (3) gratuities paid directly to on-site employees or individuals, and not paid to Tenant, provided the customer voluntarily determines the amount of said gratuity to be paid, or the customer is aware that the Tenant has added a pre-established gratuity to the charge for the services rendered and said additional amount is segregated and identified as a gratuity on the billing to the customer;

(4) security deposits held in trust by Tenant (provided, however, in the event any security deposit is applied by the Landlord towards any rent due the Landlord, such security deposit shall, upon any such application, be treated as gross income subject to percentage rent); (5) any income, savings or receipts derived from Tenant's investments that are not in accounts held for the operation or maintenance of the Premises; (6) proceeds of loans to the Tenant (provided, Tenant shall not borrow any funds for any purpose other than to invest in the Premises, and shall use any such loan proceeds for improvements to the Premises or expenses relating to the Premises); (7) funds invested in the Tenant by Tenant's members; and (8) amounts paid by slip licensees or renters for utilities supplied to such licensee's boat slip or boat to the extent such amounts are charged to the boater in accordance with rates charged by the utility provider and there is no markup to Tenant. Further, refunds for goods returned shall be deducted from current gross income upon their return.

4.5 Rent Credits.

(a) Amount of Rent Credits. Upon the Completion of the Initial Improvements, and provided Tenant is not in default under this Lease, Tenant shall receive a credit against Percentage Rent for the following: (i) the sum of the Request for Proposal Deposit, the Transaction Cost Deposit and any Extension Cost Deposit paid by Tenant to Landlord pursuant to that certain Exclusive Negotiating Agreement ("ENA") between Landlord and Tenant dated November 8, 2000 in the amount of \$200,000.00 and (ii) the actual costs of the dredging performed in connection with the Initial Improvements, without interest, all as described in **Exhibit F**, to the extent any of such costs and interest have been approved in advance by Landlord in writing (collectively the "Rent Credits" and each individually a "Rent Credit"); provided, in no event shall the Rent Credits exceed Five Million Nine Hundred Ninety Five Thousand Dollars (\$5,995,000.00). Tenant shall perform or cause the performance of the dredging in Clipper Cove necessary for the construction of the Initial Improvements and the operation of its business. Landlord shall not be required to incur any dredging or other expenses in conjunction with this Lease or the marina development other than as part of the Rent Credits. Further, any additional future dredging (after the initial dredging for which Tenant is given a rent credit as set forth above) and other costs relating to this Lease or Tenant's operations shall be Tenant's sole responsibility without any credit, deduction, or offset therefor. Landlord shall be responsible for dredging areas of Clipper Cove that are outside of the Premises in accordance with the Board of Supervisors Resolution No. 173-18, except that Tenant shall be responsible for dredging the channel and areas of Clipper Cove that represent the marina's footprint and are necessary for Tenant's access to its facilities.

(b) Approval of Costs. The Rent Credits shall not become effective until: (i) Tenant submits invoices to Landlord detailing each Rent Credit cost item incurred by Tenant, together with appropriate backup documentation; and (ii) Landlord approves the invoices, which approval shall not be unreasonably withheld or delayed. Upon approval, Landlord shall send a notice to Tenant confirming the amount of the approved Rent Credit. Once determined, all Rent Credits will be applied prospectively against future Rent due and owing until the Rent Credit has been received by Tenant as set forth in this Lease.

(c) Rollover Until Credits Received. If the amount of the Rent Credits exceeds the amount of the Percentage Rent due for a year, the balance of the Rent Credits shall be carried over and deducted from each following year's Percentage Rent, without interest, until all Rent Credits have been fully accounted for. If this Lease terminates for any reason before all Rent Credits have been received by Tenant, then the Rent Credits shall be lost and Landlord shall have no obligation to pay to Tenant the amount of an unused Rent Credit.

4.6 Participation Rent. In addition to the Minimum Base Rent and Percentage Rent specified in this Article 4, Tenant shall pay Landlord such amount or amounts as may be calculated and determined to be due as and for participation rent in connection with refinancings, sales, assignments or subleases of the Premises (collectively, "Participation Rent") pursuant to, at the times and in the manner specified in this Section.

(a) Definitions. As used in this Section, the following terms shall have the meaning set forth below:

"Capital Costs" shall mean the sum of: (i) the actual hard and soft costs incurred by Tenant of constructing the Initial Improvements, as approved by Landlord, (ii) the actual hard costs incurred by Tenant in connection with any subsequent capital improvements to the Premises approved by Landlord (collectively, the "Hard Costs"), and (iii) the actual Soft Costs incurred by Tenant in connection with the Hard Costs not to exceed ten percent (10%) of the Hard Costs; minus (iv) any Rent Credits, grant proceeds, or other sums for which Tenant receives reimbursement;

"Excess Proceeds" shall mean:

(i) with respect to any refinancing of any debt incurred by Tenant for Capital Costs and secured by Tenant's interest in this Lease under Article 14, all proceeds from the refinancing less the sum of: (A) in the case of the first refinancing, the Preferred Return plus all Capital Costs and, in the case of any subsequent refinancing, the greater of (1) the gross proceeds from the prior refinancing, or (2) the Preferred Return plus all Capital Costs; (B) any and all reasonable and customary fees and costs incurred by Tenant in connection with the new encumbrance; (C) reasonable prepayment penalties, if any, incurred by Tenant; and (D) the outstanding amount of all encumbrances being paid and any new improvements made and paid for as part of the refinancing;

(ii) with respect to any sale or transfer of forty five percent (45%) or more (the "Trigger Percentage") of Tenant's interests as set forth in Section 17.6, all proceeds from the combined sales or transfers less the sum of: (A) in the case of the first sale or sales that meets the Trigger Percentage, the Preferred Return plus all Capital Costs and, in the case of any subsequent sale, the greater of (1) the gross proceeds from the prior sales, or (2) Preferred Return plus all Capital Costs; (B) any and all reasonable and customary closing costs and fees incurred by Tenant in connection with the sales or transfers; (C) reasonable prepayment penalties, if any, incurred by Tenant; and (D) the outstanding amount of all encumbrances being paid as part of

the sale or transfer; and

(iii) with respect to any Sublease or Assignment, all rent or other consideration realized by Tenant under any such assignment or sublease in excess of the Rent payable by Tenant hereunder (or the amount thereof proportionate to the portion of the Premises subject to such assignment or sublease), after Tenant has recovered: (A) the Preferred Return plus all Capital Costs; (B) any verifiable, customary and reasonable cost of any leasehold improvements that Tenant has actually incurred in connection with such assignment or sublease; (C) any verifiable, customary and reasonable costs and expenses incurred by Tenant in effectuating a sublease or assignment, including but not limited to marketing costs, brokerage commissions, attorneys' fees and disbursements, and fees paid to Landlord pursuant to this Lease with respect to such sublease or assignment; and (D) the outstanding amount of all encumbrances being paid as part of the sublease or assignment.

"Net Operating Income" shall mean all Gross Income (including any expense reimbursements received from grants), received by or on account of Tenant from the Premises, less (i) all reasonable operating expenses actually incurred by Tenant (including but not limited to the amount of any Rent paid to Landlord hereunder, and all reasonable costs for taxes, subleases or leases for landside space needs, financing costs and charges, and operational costs necessary to operate the marina), and (ii) any refunds made by Tenant to its Subtenants for amounts overpaid by Subtenants;

"Preferred Return" shall mean for any applicable refinancing, sale, assignment or sublease, the sum of: (i) the Capital Costs plus a ten percent (10%) rate of return per annum, simple interest, and (ii) any capital contributions by equity holders of Tenant for accrued net operating losses of Tenant; less any Net Operating Income for any year before such refinancing, sale, assignment or sublease which has not been previously deducted from the Capital Costs. The Preferred Return shall be cumulative and accrued, less distributions made to equity holders of Tenant, and calculated and reported to Landlord annually regardless of whether there has been any refinancing, sale, assignment or sublease hereunder; and

"Soft Costs" shall mean all indirect costs paid by Tenant in connection with the Hard Costs, which are not properly categorized as capital expenditures in accordance with generally accepted accounting principles, consistently applied, and may be reasonably and customarily characterized as soft costs. Subject to the foregoing, Soft Costs shall include, without limitation, reasonable and customary fees paid to attorneys, architects, engineers, accountants, consultants and other professionals, and salaries for employees at the construction site or employed by Tenant solely to work on the construction or modernization of improvements on the Premises, or any portion thereof (but not including salaries of any employee of Tenant who works part time on the construction of improvements on the Premises and part-time on other projects of Tenant, unless Tenant demonstrates to Landlord's reasonable satisfaction that the allocation of such employee's salary between the construction of improvements on the Premises, and such other projects, is reasonable). To the extent that any Soft Cost represents payment made to Tenant or any entity or person which controls or is controlled by Tenant, the amount of such payment must not exceed the amount which would have reasonably been paid

to an unrelated third party in an arms-length transaction, with no control relationship with Tenant. Soft Costs shall not include any cost or expense incurred by Tenant for or in connection with routine maintenance, repair or replacement of worn equipment (even if such equipment is upgraded in the process), or other upkeep or modernization of all or any portion of the Premises, or improvements thereon, which Tenant would have been likely to incur with or without the construction.

(b) Refinancing Debt. If Tenant refinances the debt secured by this Lease per Article 14, and in addition to all other sums payable by Tenant to Landlord under this Lease, Tenant shall pay Landlord as Participation Rent, fifty percent (50%) of the Excess Proceeds from a refinancing, including as a result of increases in the principal amount borrowed. Any Participation Rent due under this Section shall be paid promptly upon the close of escrow established for such refinance.

(c) Sale of Interests in Tenant. If Tenant sells or transfers more than forty nine percent (49%) or more cumulatively (as set forth in Section 17.6) of Tenant's interests, by operation of law or otherwise, and in addition to all other sums payable by Tenant to Landlord under this Lease, Tenant shall pay Landlord as Participation Rent, fifty percent (50%) of the Excess Proceeds from any such sale or transfer. Any Participation Rent due under this Section shall be paid promptly upon the close of escrow or escrows established in connection with such sales or transfers.

(d) Subleases and Assignments. If Tenant Subleases all or a portion of the Premises or Assigns all or part of its interest in this Lease, and in addition to all other sums payable by Tenant to Landlord under this Lease, Tenant shall pay Landlord as Participation Rent, fifty percent (50%) of any Excess Proceeds from any such Sublease or Assignment. Any Participation Rent due under this Section in connection with a Sublease or Assignment on the date that the applicable sublease or assignment documents are executed and delivered by the parties. Tenant shall provide to Landlord not less than thirty (30) days written notice of a Sublease or Assignment, with an accounting of the Participation Rent that will become due and payable as a result of the transaction, including all backup documentation required for Landlord to verify the Participation Rent amount due and owing.

(e) Cap On Amount Equal to Rent Credits. Notwithstanding anything to the contrary in this Section 4.6, the total amount of Participation Rent to be paid by Tenant to Landlord from the proceeds of any refinancings, sales, transfers, assignments or subleases of the Lease as set forth above shall be limited to the total amount of Rent Credits received by Tenant under this Lease. Once Landlord has received the full value of the Rent Credits as Participation Rent, then this Section 4.6 shall have no further force or effect and Landlord shall not be entitled to any additional Participation Rent in connection with subsequent refinancings, Subleases, Assignments or transfers of interests in Tenant.

4.7 Payments to Landlord.

(a) Payments. All payments and statements required under this Article 4 shall be

made by Tenant to Landlord in lawful money of the United States of America at the address for notices to Landlord specified in this Lease, or to such other person or at such other place as Landlord may from time to time designate by notice to Tenant. Checks shall be made payable to the Treasure Island Development Authority. Landlord may change the designated place of payment and filing at any time upon ten (10) days' written notice to Tenant. Tenant assumes all risk of loss and responsibility for late charges, as hereinafter described, if payments are made by mail. Rent shall be due and payable at the times provided in this Lease, provided that if no date for payment is otherwise specified, or if payment is stated to be due "upon demand," "promptly following notice," "upon receipt of invoice," or the like, then such Rent shall be due twenty (20) days following the giving by City of such written demand, notice, invoice or the like to Tenant specifying that such sum is presently due and payable.

(b) Net Lease. It is the purpose of this Lease and intent of Landlord and Tenant that, except as expressly stated to the contrary in this Lease, all Rent shall be absolutely net to Landlord, so that this Lease shall yield to Landlord the full amount of the Rent at all times during the Term, without deduction, abatement or offset. Except as otherwise expressly set forth in this Lease, under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties shall Landlord be expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises, including any improvements, except for Rent Credits as provided in this Article 4.

4.8 Late Payments. Tenant hereby acknowledges that late payment by Tenant to Landlord of Rent and other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease. Accordingly, in the event Tenant is delinquent in rendering to Landlord an accounting of Percentage Rent due or in remitting the Rent due in accordance with the provisions of this Lease, Tenant shall pay, in addition to the unpaid Rent, five percent (5%) of the delinquent amount. The parties hereby agree that said late charge is appropriate to compensate Landlord for loss resulting from payment delinquency including, without limitation, lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. In addition to the late charge, any Rent, if not paid within ten (10) days following the due date, shall bear interest from the due date until paid. If any Rent is not paid within twenty (20) days following written demand for payment of such Rent, such unpaid amount shall bear interest from the date due until paid at an annual interest rate (the "Default Rate") equal to the greater of (i) ten percent (10%) or (ii) five percent (5%) in excess of the rate the Federal Reserve Bank of San Francisco charges, as of the date payment is due, on advances to member banks and depository institutions under Sections 13 and 13a of the Federal Reserve Act; provided, in no event shall the Default Rate exceed any applicable usury or similar Law. Payment of late charges or interest shall not excuse any default by Tenant, and acceptance of any portion of the late payment by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of its other rights and remedies. Landlord shall have the right to waive for good cause any late charges or interest upon written application of Tenant for any such delinquency period.

4.9 Landlord Acceptance Not a Waiver. All payments by Tenant to Landlord shall be by

a good and sufficient check in U.S. Dollars. No payment made by Tenant or receipt or acceptance by Landlord of a lesser amount than the correct amount of rent due under this Lease shall be deemed to be other than a payment on account of the earliest Rent or other amounts due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance or pursue any other available remedy.

4.10 Books and Records. Tenant shall, at all times during the term of this Lease, keep or cause to be kept, accurate and complete records and double entry books of account of all financial transactions in the operation of all business activities, of whatever nature, conducted in pursuance of the rights granted herein, in accordance with generally accepted accounting principles. The records must be supported by source documents of original entry such as sales invoices, cash register tapes, bank depository documentation, purchase invoice or other pertinent supporting documents. Reviewed financial statements (a balance sheet, income/expense statement and cash flow statement) based upon the double entry books of account, shall be prepared not less than annually and copies thereof delivered to Landlord within ninety (90) days following the end of each calendar year during the Term of this Lease and ninety (90) days following the end of the Term. The annual records sent to Landlord shall include, at a minimum, an itemized statement of income and expenditures by Tenant for such year, which statement shall set forth income and expenditures for the year just concluded broken down by category and a cash flow table that itemizes expenditures on staff and consultant salaries, utilities and maintenance, capital improvements, and the like (the "Annual Statement"), certified as correct by an officer of Tenant and in form delivered to Tenant's members or board of directors, or if no such form which such detail was delivered to Tenant's members or board of directors, in a form satisfactory to Landlord. In addition, Tenant shall promptly provide to City a copy of its annual tax return.

4.11 Registers. All retail sales shall be recorded by means of cash registers, except as expressly provided for herein. All cash registers shall be equipped with sales totalizer counters for all sales categories, as herein provided, which counters are locked in, constantly accumulating, and which cannot be reset. Said registers shall further contain tapes upon which sales details are imprinted. Beginning and ending sales totalizer counter readings shall be made a matter of daily record. Retail sales may be recorded by a system other than cash registers, provided such system is first approved in writing by Landlord but only for the time period specified as approved by Landlord.

4.12 Audit Rights. All Tenant's books of account, records, financial statements, and documentation related to this Lease or to business operations conducted within or from the Premises, shall be kept either at the Premises or at such other locations as are reasonably acceptable to Landlord, which alternate locations shall include Tenant's principal place of business within San Francisco so long as Tenant has provided Landlord with written notice thereof. Landlord shall have the right at any and all times to examine and audit said books, records, financial statements, and documentation, without restriction, for the purpose of determining the accuracy thereof, the accuracy of the annual statements of gross income

submitted, and the accuracy of the Rent paid to the Landlord. Tenant agrees to make its books and records available to Landlord, or any auditor or representative designated by Landlord, for the purpose of examining such books and records to determine the accuracy of Tenant's earnings and expenses and statements. Such books and records shall be kept for four (4) years following the end of each calendar year and shall be maintained and/or made available in San Francisco to City's representative for the purpose of auditing or re-auditing. In the event that the Tenant's business operations conducted within or from the Premises are part of a larger business operation of the Tenant, and any part of the books, records, financial statements and documentation required herein is prepared only for the larger operation, and not solely for the business operations of the Premises, then the Landlord shall also have the right to examine and audit that part of said books, records, financial statements, and documentation of the larger business operation that relate to the business operations of the Premises. Tenant's failure to keep such books of account, records, financial statements, and documentation and make them available for inspection by Landlord is a material breach of this Lease. Landlord shall have the discretion to require the installation of any additional, commercially reasonable accounting methods or controls Landlord may deem reasonably necessary, subject to prior written notice.

4.13. Audit Discrepancies. Additionally, if an audit reveals a discrepancy of more than five percent (5%) between the amounts due as reported by Tenant and the amounts due as determined by the audit, or Tenant has failed to maintain complete and accurate books of account, records, financial statements, and documentation in accordance with this Lease, then Tenant shall pay the cost of the audit, as reasonably determined by Landlord, plus the amounts determined to have been underpaid. In addition, should Tenant fail to pay the amounts due within thirty (30) days after written notice from Landlord, then Tenant shall pay an additional fee of ten percent (10%) of the unpaid amounts as compensation to Landlord for administrative costs and lost interest, along with the amount determined to have been underpaid. Furthermore, if the audit reveals that amounts due to Landlord is less than five percent (5%) of the amount reported and previously paid by Tenant, and should Tenant fail to pay such amount due within thirty (30) days after written notice from Landlord, then Tenant shall pay an additional fee of ten percent (10%) of the unpaid amount as compensation to Landlord for administrative costs as set forth above, along with the amount determined to have been underpaid. Tenant agrees to pay such amounts and further agrees that the specific late charges represent a fair and reasonable estimate of the costs that Landlord will incur from Tenant's late payment. Acceptance of late charges and any portion of the late payment by Landlord without receipt of the applicable overdue amount shall in no event constitute a waiver of Tenant default with respect to late payment, nor prevent Landlord from exercising any of the other rights and remedies granted in this Lease. Landlord shall have the right to waive for good cause any late charges upon written application of Tenant for any such delinquency period.

5. TAXES, ASSESSMENTS AND OTHER EXPENSES

5.1 Taxes and Assessments, Licenses, Permit Fees and Liens.

(a) Payment Responsibility. Tenant shall pay any and all real and personal property taxes, including, but not limited to, possessory interest taxes, general and special assessments, excises, licenses, permit fees and other charges and impositions of any kind whatsoever,

general or special, ordinary or extraordinary, foreseen or unforeseen, levied on or assessed against the Premises, the Initial Improvements, any Alterations, Tenant's Personal Property, or Tenant's use of the Premises during the Term. Tenant shall make all such payments directly to the charging authority when due and payable. However, with respect to real property taxes and assessments levied on or assessed against the Premises for which Landlord receives the tax bill directly from the taxing authority, Tenant shall reimburse Landlord for payment of such sums immediately upon demand.

(b) Taxability of Possessory Interest. Without limiting the foregoing, Tenant recognizes and agrees that this Lease will create a possessory interest subject to property taxation and that Tenant will be subject to the payment of Possessory Interest taxes levied on such interest. Tenant shall pay any and all possessory interest taxes lawfully levied upon Tenant's interest pursuant to an assessment lawfully made by City's Assessor; provided, that Tenant shall have the right to contest the validity, applicability or amount of any such taxes as set forth below. San Francisco Administrative Code Sections 23.38 and 23.39 require that Landlord report certain information relating to this Lease, and any renewals thereof, to the Tax Assessor within sixty (60) days after any such transaction, and that Tenant report certain information relating to any assignment of or sublease under this Lease to the Tax Assessor within thirty (30) days after such assignment or sublease transaction. Tenant agrees to comply with these requirements

(c) Other Impositions. Tenant shall pay or cause to be paid all Impositions to the full extent of installments or amounts payable or arising during the Term, which may be legally assessed, levied, confirmed or imposed on or in respect of or be a lien upon the Premises, any of the improvements or personal property now or hereafter located thereon, the leasehold estate created hereby, or any subleasehold estate permitted hereunder, including any taxable possessory interest which Tenant, or any subtenant or any other person may have acquired pursuant to this Lease. Tenant shall pay all Impositions directly to the taxing authority, prior to delinquency, provided that if any applicable Law permits Tenant to pay any such Imposition in installments, Tenant may elect to do so in which event only those installments that are due and payable prior to the expiration or earlier termination of the Lease shall be payable by Tenant. In addition, Tenant shall pay any fine, penalty, interest or cost as may be assessed for nonpayment or delinquent payment of any such Imposition. Impositions shall include all such taxes, assessments, fees and other charges whether general or special, ordinary or extraordinary, foreseen or unforeseen, or hereinafter levied or assessed in lieu of or in substitution of any of the foregoing of every character. The foregoing or subsequent provisions notwithstanding, Tenant shall not be responsible for any Impositions arising from or related to, the Authority's interest as landlord under this Lease.

(d) Prorations. All Impositions imposed for the tax years in which the Commencement Date occurs or during the tax year in which this Lease terminates shall be apportioned and prorated between Landlord and Tenant on a daily basis.

(e) No Liens. Tenant shall not allow or suffer a lien for any taxes payable by

Tenant hereunder to be imposed upon the Premises or upon any equipment or other property located thereon without discharging the same as soon as practicable, and in no event subsequent to delinquency.

(f) Reporting Information. Tenant agrees to provide such information as Landlord may request to enable Landlord to comply with any possessory interest tax or other reporting requirements applicable to this Lease.

5.2 Evidence of Payment. Tenant shall, upon Landlord's request, furnish to Landlord within ten (10) days after the date when any charges are due and payable, official receipts of the appropriate taxing authority or other evidence reasonably satisfactory to Landlord, evidencing payment thereof.

5.3 Right of Tenant to Contest Impositions and Liens. Tenant shall have the right to contest the amount, validity or applicability, in whole or in part, of any possessory interest tax, property tax, or other Imposition or other lien, charge or encumbrance, against or attaching to the Premises or any portion of, or interest in, the Premises, including any lien, charge or encumbrance arising from work performed or materials provided to Tenant or other person to improve the Premises or any portion of the Premises, by appropriate proceedings conducted in good faith and with due diligence. Tenant shall give notice to Landlord within a reasonable period of time of the commencement of any such contest and of the final determination of such contest. Nothing in this Lease shall require Tenant to pay any Imposition as long as it contests the validity, applicability or amount of such Imposition or Law in good faith, and so long as it does not allow the portion of the Premises affected by such Imposition or Law to be forfeited to the entity levying such Imposition as a result of its nonpayment. If any Law requires, as a condition to such contest, that the disputed amount be paid under protest, or that a bond or similar security be provided, Tenant shall be responsible for complying with such condition as a condition to its right to contest. Tenant shall be responsible for the payment of any interest, penalties or other charges which may accrue as a result of any contest, and Tenant shall provide a statutory lien release bond or other security reasonably satisfactory to Landlord in connection with any such contest. Tenant shall Indemnify Landlord for any such fines, penalties, costs, expenses or fees, including Attorneys' Fees and Costs, resulting from Tenant's failure to pay any Imposition or Tenant's contest of an Imposition.

6. USE; COVENANTS

6.1 Tenant's Permitted Use.

(a) Permitted Uses. Tenant agrees that the Premises shall be used only and exclusively for a marina consistent with the footprint shown on Exhibit A-1, open for rental to the general public and related operations as described in the Basic Lease Information, subject to and in accordance with applicable Laws. Tenant shall not use or permit the Premises to be used for any other uses or purposes whatsoever unless approved by Landlord in writing. No use of the Premises shall be made which may be prohibited or is not permitted under California

Statutes 1917, Chapter 594, as said statute may, from time to time, be amended. Tenant shall be entitled to charge market rates for slip fees, berth fees, dry stack storage fees and other moorage fees and services and goods sold from the Premises that are comparable to the market rates charged by other area marina operators operating in the San Francisco Bay Area.

(b) Payments for Unauthorized Uses. In addition to any rights and remedies available to Landlord under this Lease, if Tenant uses the Premises for any use or service that is not permitted, Tenant shall pay Landlord One Hundred (100%) of the gross receipts from such use or service. This payment is subject to the due date for Rent and the provisions for delinquent rent provided in Article 4. The existence of the One Hundred (100%) charge in this Section 6.1 and the payment of this charge does not constitute an authorization for a particular service or use, and does not waive any Landlord rights or remedies following any unauthorized use of the Premises.

6.2 Tenant's Access to the Premises. Subject to Section 2.2(j) and Section 22.1, Landlord shall not interfere with Tenant access to the Premises, which is intended to be available to Tenant on a twenty four (24) hours per day, seven (7) days per week basis; provided, there shall be no rent abatement if access is temporarily interrupted for short periods of time for any reason. If DDA Work prevents access to the Premises or renders the Premises unusable by Tenant for a period of sixty (60) days or more, then Tenant shall have the right to a rent abatement for the period during which Tenant is denied access or the Premises remain unusable.

6.3 Rules and Regulations. Tenant agrees to adhere to all rules and regulations regarding the Premises attached as **Exhibit G₂**, and any additional rules regarding security, ingress, egress, safety and sanitation applicable to the Premises or Treasure Island, as such rules and regulations may be reasonably prescribed by Landlord from time to time. Tenant agrees that no banners, pennants, flags, spinners, or other advertising devices, nor any temporary signs, shall be flown, installed, placed, or erected on the Premises without Landlord's prior written approval, which approval shall not be unreasonably withheld.

6.5 No Interference with Navy or Master Developer Operations. Tenant shall not conduct operations, nor make any Alterations, that would interfere with or otherwise restrict (1) Navy's operations or environmental clean-up or restoration actions by the Navy, Landlord, the Environmental Protection Agency, the State of California or their contractors, or (2) the DDA Work performed by Master Developer. Environmental clean-up, restoration or testing activities and DDA Work by these parties shall take priority over Tenant's use of the Premises in the event of any conflict; provided, however, in such event, Navy, Landlord and Master Developer, as applicable, shall use their best efforts to minimize any disruption of Tenant's operation.

6.6 No Unlawful Uses, Nuisances or Waste. Without limiting the foregoing, Tenant shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or

about the Premises. Tenant shall eliminate any nuisances or hazards relating to its activities on or about the Premises. Tenant shall not conduct any business, place any sales display, or advertise in any manner in areas on or about the Treasure Island property outside of the Premises.

6.7 Use Obligation, Use Interruption and Force Majeure. Tenant shall actively and continuously seek to entitle, construct, use and operate the Premises for the particular Uses provided for herein, subject to Force Majeure.

6.8 Operating Covenants.

(a) Continuous Use; Full Program. Tenant shall continuously use, repair, maintain and operate the entire Premises, or cause the entire Premises to be continuously used, repaired, maintained and operated, for the Permitted Uses, and shall not allow the Premises or major areas within the Premises to remain unoccupied or unused without Landlord's prior written consent, which Landlord may give or withhold in its reasonable discretion. Tenant shall use the Premises in a professional manner, commensurate with the standard of use and operation of other marina facilities in the San Francisco Bay Area, and shall use diligent and good faith steps to provide a full program of boating operations, including Tenant's charitable program with TIHDI described in Section 6.1(e) of the Basic Lease Terms. Tenant shall use reasonable diligence to maximize revenues.

(b) Approved Operating Standards. All Tenant's operations on the Premises shall be conducted in accordance with the Approved Operating Standards set forth in **Exhibit H**, as the same may be modified from time to time by the TIDA Director.

(d) Management, Staffing and Funding. Tenant shall provide appropriate management and development staff for the operation of the Premises, shall adequately fund the use, maintenance and operation of the Premises consistent with Tenant's obligations under this Lease, including maintaining a reasonable annual repair and capital plan and budget and sufficient reserves to fund such plan in accordance with the budget.

(e) Management and Operational Plans. Prior to the Effective Date Tenant submitted to Landlord a management and operation plan for the Premises. Not less frequently than once every five (5) years Tenant shall provide to Landlord an updated management and operation plan or a management agreement. If the TIDA Director has reasonable concerns that the updated management and operation plan or management agreement is not consistent with the requirements of this Lease or will not realistically allow Tenant to comply with the maintenance and operational requirements of this Lease, Landlord shall provide Tenant with written notice of such concerns, and Tenant will meet and confer with the TIDA Director as needed to address such concerns.

(f) Security Matters. Tenant at all times shall be responsible for on-site security in and about the Premises. Tenant shall have an affirmative obligation to use and operate the

Premises in a safe and secure manner for all patrons and staff.

(g) Disabled Access. Tenant acknowledges that the Disabled Access Laws require that the programs, services and other activities provided at the Premises must be accessible to the disabled public. Without limiting Tenant's obligations under this Lease to comply with applicable Laws, Tenant warrants that it will fulfill that obligation, and that it will not discriminate against disabled persons in the provision of services, benefits or activities pursuant to this Lease.

6.9 Property Management. Tenant shall not, without the prior written consent of the Authority Director, which consent shall not be unreasonably withheld or delayed, contract for the management or operation of the whole or any part of the Premises. Any contract for management services, including to any affiliate or related entity of Tenant, shall be at fair market rates. Tenant shall, in connection with any request for consent, provide a copy of the proposed contract together with a statement of the fair market rate for the covered services and appropriate backup documentation regarding the market rate. Any such management or operation contract must contain a provision allowing Tenant to terminate the contract without penalty upon no more than thirty (30) days' notice. Landlord will provide written notice to Tenant of any determination that such contractor has failed to operate and manage the Premises in substantial accordance with this Lease. If the contractor has not cured the failure within a reasonable time period, as determined by Landlord, Tenant agrees to exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required for continuous operation of the Premises, subject to Landlord's approval. Landlord approves Almar Management, Inc. as Tenant's initial marina manager.

6.10 Signage. At any time and from time to time during the Term, Tenant shall have the right to submit for the Authority Director's written approval, not to be unreasonably withheld, a proposed signage program for the Premises (upon approval, the "Approved Signage Program"). Any signage program must comply with the Master Signage Program prepared by Master Developer and approved by Landlord, as the same may be amended. Tenant may not place any advertisements or signs on the Premises except in compliance with applicable Law and an Approved Signage Program. Nothing in this Section shall prohibit installation or maintenance of the signage included in the Initial Improvements or in approved Alterations.

7. CONDITIONS TO START OF INITIAL IMPROVEMENTS

7.1 **Conditions to Start of Initial Improvements.** As set forth in Section 3.1, this Agreement is first a lease disposition and development agreement. Accordingly, from and after the Effective Date, Tenant agrees to use good faith efforts to cause the following conditions to be satisfied as soon as reasonably possible, and these conditions must be satisfied by Tenant before it may begin to construct the Initial Improvements:

- (i) No uncured default exists on Tenant's part under this Lease, and all of Tenant's

representations and warranties made in this Lease shall remain true and correct;

(ii) Landlord shall have approved the Construction Documents and the construction contractor for the Initial Improvements as set forth in Article 8, and Tenant's construction contractor shall have provided evidence of compliance with City contracting requirements set forth in this Lease, including a certification of compliance with San Francisco Administrative Code Chapters 12B and 12C (Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-1O1)) and a first source hiring agreement in the form attached to the Jobs EOP (**Exhibit P**) (the "First Source Hiring Agreement");

(iii) Tenant shall have provided, and Landlord shall have approved, the Budget and evidence of sufficient financing to complete the Initial Improvements, as set forth in Section 9.1;

(iv) Tenant shall have provided, and Landlord shall have approved, evidence of all required Regulatory Approvals needed to begin the work;

(v) Tenant shall have provided, and Landlord shall have approved, the Master Developer Improvements agreement as set forth in Recital F;

(vi) Tenant and/or its contractors shall have in place all insurance required under this Lease and shall have provided evidence of same to Landlord;

(vii) Tenant or its contractor shall have provided payment and performance bonds for the work, or other security approved by Landlord, from an issuer approved by Landlord, as required under the Treasure Island Subdivision Code;

(viii) Tenant shall have provided, and Landlord shall have approved, a community benefits program to provide sailing opportunities to disadvantaged community and youth at Treasure Island. The community benefits program will be reviewed and updated, subject to TIDA Director approval, each 5 years during the Term.

On the date that Tenant has satisfied all of the foregoing conditions, Landlord shall issue to Tenant a notice to proceed with the Initial Improvements (the 'Notice to Proceed with the Initial Improvements'). The Notice to Proceed with the Initial Improvements may include conditions relative to the DDA Work, if needed to ensure the non-interference with the DDA Work. If Tenant has not received the Notice to Proceed with the Initial Improvements and started construction of the Initial Improvements on or before December 31, 2020, Landlord shall have the right to terminate this Agreement by delivery of a sixty (60) day notice of termination, and this Agreement will automatically terminate six months thereafter if Tenant has not satisfied the conditions for the start of construction and actually commenced construction within the sixty (60) day period, unless extended by Landlord. On the Termination Date, Landlord shall also have the right to terminate the Interim Sublease.

7.2 Regulatory Approvals.

(a) Landlord Acting in its Proprietary Capacity. Tenant understands and agrees that Landlord is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a regulatory agency with certain police powers. Tenant understands and agrees that neither entry by Landlord into this Lease nor any approvals given by Landlord under this Lease shall be deemed to imply that Tenant has obtained or will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Premises or the work, or by Treasure Island Development Authority acting in its regulatory capacity or in its capacity as trustee of the Public Trust. By entering into this Lease, Landlord is in no way modifying or limiting the obligations of Tenant to develop the Initial Improvements in accordance with all Laws, as provided in this Lease.

(b) Tenant Sole Responsibility for Obtaining Regulatory Approvals. Tenant understands that construction of the Initial Improvements will require approvals, authorizations and permits from governmental agencies with jurisdiction, which may include, without limitation, the Treasure Island Development Authority, the City's Planning Commission, BCDC, State Lands Commission, Army Corps of Engineers, and others. Tenant shall use good faith efforts to obtain and shall be solely responsible for obtaining any Regulatory Approvals as required. Tenant shall not seek any Regulatory Approval without first notifying Landlord. Throughout the permit process for any Regulatory Approval, Tenant shall consult and coordinate with Landlord in Tenant's efforts to obtain such permits. Landlord shall cooperate reasonably with Tenant in its efforts to obtain such permits, including executing any letters of authorization as owner of the Premises. However, Tenant shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit from any other regulatory agency if Landlord is required to be a co-permittee under such permit and the conditions or restrictions could create any obligations on the part of Landlord, or the conditions or restrictions could otherwise encumber, restrict or change the use of the Premises, unless in each instance Landlord has previously approved such conditions in writing and in Landlord's sole and absolute discretion. No such approval by Landlord shall limit Tenant's obligation to pay its share of the costs of complying with such conditions under this Section.

(c) Tenant to Pay All Costs. Tenant shall bear all costs associated with applying for and obtaining any necessary Regulatory Approval. Tenant shall comply with any and all conditions or restrictions imposed by regulatory agencies as part of a Regulatory Approval, whether such conditions are on-site or require off-site improvements. Tenant shall have the right to reasonably appeal or contest any adverse decision and/or imposition of any condition in any manner permitted by Law imposed upon any such Regulatory Approval. Tenant shall pay or discharge any fines, penalties or corrective actions imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval. Without limiting any other indemnification provisions of this Lease, Tenant shall Indemnify Landlord and the other City Indemnified Parties from and against any and all Losses which may arise in connection with Tenant's failure to seek to obtain in good faith, or to comply with, the terms and conditions of any Regulatory Approval or to pursue in good faith the appeal or contest of

any conditions of any Regulatory Approval initiated in connection with the construction of the Initial Improvements or any subsequent improvements or alterations, except to the extent such Losses are caused by the gross negligence or willful misconduct of Landlord acting in its proprietary capacity. The provisions of this Section shall survive any termination of this Lease.

8. INITIAL IMPROVEMENTS

8.1 Tenant's Construction Obligations.

(a) Final Development Concept; Schedule of Performance. Tenant shall construct or cause to be constructed improvements on the Premises within the times and in the manner set forth in this Article 8 and as more particularly set forth in the Final Development Concept attached hereto as **Exhibit I**, the Schedule of Performance attached hereto as **Exhibit J**, and the Schematic Drawings and the approved Construction Documents, collectively, the "Initial Improvements". The Initial Improvements shall be consistent with the SUD and the Design for Development, to the extent applicable.

(b) Timing and Extensions. The satisfaction of the matters set forth in the Schedule of Performance by the required completion dates is an essential part of this Lease, time being of the essence. Tenant shall use its best efforts to complete the milestone tasks, including, without limitation, commencing and completing construction of each part of the Initial Improvements by the respective dates specified in the Schedule of Performance or within such extension of time, if any, as Landlord may grant in writing or as otherwise permitted by this Lease.

(c) Force Majeure. The Schedule of Performance shall be extended for delay caused by Force Majeure.

(i) If Tenant determines that Force Majeure will or may prevent Tenant from commencing or completing construction in accordance with the Schedule of Performance or performing any other act in accordance with the Schedule of Performance, then Tenant shall notify City in writing of the event or condition constituting Force Majeure and shall propose equitable adjustments to the Schedule of Performance, together with a written explanation of how the proposed adjustments were calculated.

(ii) Within thirty (30) days after receipt of Tenant's written notice, City shall provide a written response to Tenant either (1) requesting additional information as reasonably required to analyze Tenant's request, or (2) agreeing with or disputing Tenant's determination of the occurrence of Force Majeure, and, in the event City agrees with Tenant's determination of Force Majeure, either approving Tenant's requested adjustments to the Schedule of Performance or proposing alternative adjustments to the Schedule of Performance. Provided that Tenant is not in default of its obligations under this Lease and City agrees with Tenant's determination of the occurrence of Force Majeure, then City shall approve a reasonable,

equitable adjustment to the Schedule of Performance. If City fails or declines to respond to Tenant within thirty (30) day period described above, then Tenant may at Tenant's election provide written notice to City that no notice was received, and provided that such notice displays prominently on the envelope enclosing such notice and the first page of such notice, substantially the following words: "REQUEST TO EXTEND SCHEDULE OF PERFORMANCE FOR MARINA IMPROVEMENTS; IMMEDIATE ATTENTION REQUIRED; FAILURE TO RESPOND COULD RESULT IN THE REQUEST BEING DEEMED APPROVED," the requested adjustment to the Schedule of Performance shall be deemed approved if City does not respond in writing within twenty (20) days after such notice.

(iii) If City requests additional information, Tenant shall promptly provide such information, together with a renewed request for an adjustment to the Schedule of Performance, and the provisions of the foregoing subsection shall apply to such renewed request. If Tenant and City disagree on the occurrence, duration or impact of Force Majeure or on the proposed adjustments to the Schedule of Performance, then Tenant and City shall attempt in good faith to meet no less than two (2) times during the thirty (30) day period following City's written response to Tenant, at a mutually agreed upon time and place, to attempt to resolve any such disagreement. During any such period, each Party shall promptly provide the other with additional information on request.

(iv) If Tenant and City are unable to resolve any disagreement over the occurrence or duration of Force Majeure or the reasonable adjustments to the Schedule of Performance required in connection therewith, then Tenant and City, by mutual agreement, may submit such dispute to non-binding arbitration, mediation or other alternate dispute resolution mechanism ("ADR") of non-judicial dispute resolution. The Party requesting ADR shall give written notice of its request, specifying the requested ADR procedure, to the other Party, who shall notify the requesting Party of its agreement or refusal to proceed within a reasonable time after receipt of the requesting notice. If the parties agree to proceed, they shall select a mutually acceptable individual, with qualifications appropriate to the subject matter of the dispute, to conduct the designated ADR, or, if the parties cannot agree on such individual, they shall submit the dispute for the applicable ADR to a commercial ADR service. In all events, the proceedings shall be conducted only in a manner acceptable to both Parties. The parties may enter into operating memoranda from time to time to establish procedures for the initiation and conduct of such ADR mechanisms. Within thirty (30) days after selection of the individual conducting the ADR, such individual shall determine the resolution of the matter. In making this determination, such individual's review shall be confined to (a) the applicable terms and conditions of this Lease; (b) the parties' written notices to each other, as required by this Section, and (c) any additional written information and correspondence exchanged between the parties during consultation period following City's decision to propose alternative adjustments to the Schedule of Performance.

(v) Amendments and extensions to the Schedule of Performance contemplated under this Section may be processed and approved administratively by the TIDA Director, and shall not require the approval of the Authority Board or other legislative body,

provided that the TIDA Director shall not have the right to extend the commencement date or completion date by more than twelve (12) months without approval of the Authority Board. The granting of an extension of any date therein shall not be deemed to be a waiver of any other rights under this Lease or imply the extension of any other dates.

8.2 Construction Standards.

(a) Good Construction Practices. All construction with respect to the Initial Improvements shall be accomplished expeditiously, diligently within the time frames set forth in the Schedule of Performance and in accordance with good construction and engineering practices and applicable Laws. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected by such work. Dust, noise and other effects of such work shall be controlled using commercially reasonable methods customarily used to control deleterious effects associated with construction projects in populated or developed urban areas. Tenant, while performing any construction with respect to the Initial Improvements, shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to the Premises and the Initial Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of such construction.

(b) Asbestos-Containing Materials. Without limiting Section 23.1 (No Hazardous Materials), in the event that asbestos-containing materials ("ACM") are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and any asbestos related work, as defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all laws relating to asbestos, including but not limited to California Occupational Safety and Health (OSHA) regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Section 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations affecting ACM-containing areas or any asbestos related work shall be performed without Landlord's prior written consent in each instance.

(c) Tenant's Alterations that Disturb or Remove Lead Based Paint. Tenant shall comply with all requirements of the San Francisco Building Code, Section 3407, and all other applicable Laws, including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when an Alteration disturbs or removes exterior lead-based or "presumed" lead-based paint (as defined below). Tenant shall give Landlord three (3) business days prior written notice of any disturbance or removal of exterior lead-based or presumed lead-based paint. Further, Tenant, when disturbing or removing exterior lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter

("HEPA") local vacuum exhaust tool; (c) hydroblasting or high pressure wash without containment barriers; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3407 of the San Francisco Building Code, demonstrates an absence of lead-based paint on the exterior surfaces of such buildings. Under this Section, lead based paint is "disturbed or removed" if the work of improvement or alteration involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface. Notice to Landlord under this Lease shall not constitute notice to the City's Department of Building Inspection required under Section 3407 of the San Francisco Building Code.

8.3 Costs. Tenant shall bear any and all costs of the Initial Improvements, including any and all cost overruns in relation to the Budget. Without limiting the foregoing, Tenant shall be responsible for performing all site preparation work necessary for the construction of the Initial Improvements. Such preparation shall include, among other things, any required investigation and remediation of Hazardous Materials required for development or operation of the Initial Improvements, and all structure and substructure work.

8.4 Utilities. Tenant, at its sole expense, shall arrange for the provision and construction of all on-site and off-site utilities necessary to construct the Initial Improvements, and the cost thereof shall be included in the Budget.

8.5 Construction Documents.

(a) Preparation of Documents. Developer shall prepare all Construction Documents for Landlord's review and approval. The Construction Documents shall consist of the following:

(i) Schematic Drawings prepared by Bellingham Marine, dated February 1, 2017 and Anchor QEA dated 22, 2017, as more particularly described on **Exhibit K**, which generally include, without limitation (a) perspective drawings sufficient to illustrate the Initial Improvements, and (b) a site plan at appropriate scale showing relationships of the Initial Improvements with their respective uses, and designating public access areas, open space areas, walkways, loading areas and adjacent uses, sufficient to describe the development proposal for the Initial Improvements, and the location and size of uses, of the Initial Improvements. Landlord has approved the Schematic Drawings.

(ii) Preliminary Construction Documents in sufficient detail and completeness to show the Initial Improvements and the construction thereof in compliance with the Initial Improvements Requirements (as defined below), and which shall generally include, without limitation, (a) site plans at appropriate scale showing the piers, slips, improvements and open spaces, with all land uses designated and all site development details

and bounding streets, and points of vehicular and pedestrian access shown, (b) all building plans and elevations at appropriate scale, (c) building sections showing all typical cross sections at appropriate scale, (e) public access areas, (f) outline specifications for materials, finishes and methods of construction, (g) exterior signage and exterior lighting plans, (h) material and color samples, and (i) mechanical and other equipment, if any. The Preliminary Construction Documents shall be in conformance with the Schematic Drawings, and shall incorporate conditions, modifications and changes specified by Landlord or required as a condition of Regulatory Approvals.

(iii) Final Construction Documents, which shall include all plans and specifications required under applicable Laws to be submitted with an application for a Building Permit. The Final Construction Documents shall be a final development of, and be based upon and conform to, the approved Preliminary Construction Documents. The Final Construction Documents shall incorporate conditions, modifications and changes required by Landlord for approval. The Final Construction Documents shall include all drawings, specifications and documents necessary for the Initial Improvements to be constructed and completed in accordance with this Lease.

(b) Licensed Architect or Engineer. The Construction Documents shall be prepared by or signed by an architect or engineer duly licensed to practice in and by the State of California. A California licensed architect or engineer shall coordinate the work of any associated design professionals, including engineers and landscape architects, and shall inspect all construction and shall provide a certificate in the form of the Certificate attached hereto as **Exhibit L** when required by Landlord. A California licensed structural engineer shall review and certify all final structural plans and the sufficiency of structural support elements to support the Initial Improvements under applicable Laws.

(c) Requirements. The Construction Documents shall conform to and be in compliance with applicable requirements of (i) this Lease, including the Final Development Concept, the Schematic Drawings and the Special Provisions in Article 25, (ii) any mitigation measures identified through environmental review, (iii) the City's Building Code, the SUD and the Design for Development, (iv) any required Regulatory Approvals, and (v) the Preliminary Construction Documents (collectively, the "Initial Improvements Requirements").

8.6 Submission of Construction Documents.

(a) Construction Documents. Construction Documents shall be prepared as provided in accordance with the Final Development Concept and at the time or times established in the Schedule of Performance. As to all stages of the Construction Documents, each of the Construction Document stages is intended to constitute a further development and refinement from the previous stage. Thus, the Preliminary Construction Documents shall be in substantial conformance with the Schematic Drawings and the Final Development Concept, and shall incorporate conditions, modifications and changes specified by City or required as a condition of Regulatory Approvals as approved by Landlord. The Design Development

Drawings and the Preliminary Construction Documents shall be in sufficient detail and completeness to show that the Initial Improvements will be in compliance with the Initial Improvements Requirements and matters previously approved. The Final Construction Documents shall be a final development of, and be based upon and conform to, the approved Preliminary Construction Documents. The Final Construction Documents shall incorporate conditions, modifications and changes required by City or Tenant for the approval of the Preliminary Construction Documents. The Final Construction Documents shall include all drawings, specifications and documents necessary for the Initial Improvements to be constructed and completed in accordance with this Lease.

(b) Updated Budgets and Financing Plans. Within thirty (30) days of Tenant's receipt of the Preliminary Construction Documents and of the Final Construction Documents, Tenant shall submit to Landlord for Landlord's review and approval an updated estimated Budget of total development costs for the Initial Improvements, prepared at a level of detail commensurate with the stage of design expressed in the drawings then under review, and to the extent the Budget differs from the Budget previously submitted, shall also submit to City, for City's information, an updated Financing Plan setting forth anticipated sources and uses of funds within of the updated Budget.

8.7 Document Review Procedures.

(a) Role of Staff. Landlord's review and approval of Construction Documents means and requires review and approval of required Construction Documents by City staff or consultants designated to review the Construction Documents by the TIDA Director ("Staff"). Notwithstanding any other provision of this Lease or the Lease to the contrary, approval of the Schematic Drawings and the site plan is in no manner intended to, and shall not, evidence or be deemed to evidence approval of the Preliminary Construction Documents or the Final Construction Documents by Landlord or any other entity.

(b) Method of Tenant Action/Prior Approvals for Construction Documents. Landlord shall use good faith efforts to review and reasonably approve, disapprove or approve conditionally Construction Documents in writing within forty five (45) days after submittal, so long as the applicable documents are properly submitted, complete and satisfy the requirements of this Lease.

(c) Timing of Tenant Disapproval/Conditional Approval and Resubmissions. If Landlord disapproves of any of the Construction Documents in whole or in part, Landlord in the written disapproval shall state the reason or reasons and may recommend changes and make other recommendations. If Landlord conditionally approves the Construction Documents in whole or in part, the conditions shall be stated in writing and a reasonable time shall be stated for satisfying the conditions. Tenant shall make a resubmittal as expeditiously as possible. Tenant may continue making resubmissions until the approval of the submissions or the later of (i) the time specified in any conditional approval or (ii) the date specified in the Schedule of Performance, as either may be extended under the terms hereof. Failure to have a

submission approved by such outside date will permit termination of this Lease by Tenant on thirty (30) days' written notice to Tenant, unless Tenant cures such failure within such thirty (30)-day period.

(d) Approval of Changes in Construction Documents. Tenant shall not make or cause to be made any material changes in any approved Construction Documents without the express written approval of Landlord. Prior to making any changes that Tenant considers to be nonmaterial, Tenant shall notify Landlord in writing or verbally at the progress meetings of the proposed changes. If Landlord in its reasonable discretion determines that such noticed changes are material, then such changes shall be subject to Landlord's prior written approval.

(e) Approval by Landlord or Tenant. Landlord shall not withhold its approval, where otherwise required under this Lease, of elements of the Construction Documents or changes in Construction Documents required by any governmental body with jurisdiction over the Initial Improvements if all of the following have occurred: (i) Landlord receives written notice of the required change; and (ii) Landlord is afforded at least thirty (30) days to discuss such element or change with the governmental body having jurisdiction over the Initial Improvements and requiring such element or change; and (iii) Tenant's modifications are limited as may be required to obtain the approval of the governmental body with jurisdiction.

8.11 Selection of Contractor. Tenant's general contractor for the Initial Improvements shall (1) have substantial recent experience in the construction of similar improvements, (2) be licensed by the State of California (as evidenced by Tenant's submission to Landlord of Tenant's contractor's state license number), and (3) have the capacity to be bonded by a recognized surety company to assure full performance of the construction contract for the work shown on the Final Construction Documents (as evidenced by Tenant's submission to Landlord of a commitment or other writing satisfactory to Landlord issued by a recognized surety company confirming that Tenant's contractor is bondable for construction projects having a contract price not less than the contract price under the construction contract for the Initial Improvements).

8.12 Progress Meetings/Consultation. During the preparation of Construction Documents and during the construction of the Initial Improvements, Staff and Tenant shall hold periodic progress meetings to consider Tenant's progress, and to coordinate the preparation of, submission to, and review of Construction Documents by Tenant. Staff and Tenant will communicate and consult informally as frequently as is reasonably necessary to assure that the formal submittal of any Construction Documents to Landlord and any matters regarding Construction can receive prompt and speedy consideration subject to the terms of this Lease. Tenant shall keep Landlord reasonably informed of all meetings taking place in connection with construction and shall give Landlord the opportunity to attend and participate in such meetings. Landlord may at its own cost, but is not obligated to, have one or more individuals present on the Premises at any time and from time to time during construction, to observe the progress of construction and to monitor Tenant's compliance with this Lease and any other approved submittals.

8.13 Construction of the Initial Improvements. Upon receipt of the Notice to Proceed with the Initial Improvements, Tenant shall construct all of the Initial Improvements, and demolish and remove existing improvements on the Premises, in compliance with the Construction Documents and the construction schedule approved by Landlord (the “Construction Schedule”).

8.14 Construction Schedule. Tenant shall use its best efforts to commence, prosecute and complete all construction within the times specified in the Construction Schedule or within such extension of time as Landlord may reasonably grant in writing or as otherwise permitted by the Lease, subject to Force Majeure. During periods of construction Tenant shall submit written progress reports to Landlord, and if requested by Landlord, related or supporting information, in form and detail as may be required reasonably by Landlord, but at least on a quarterly basis. The satisfaction of the matters set forth in the Schedule of Performance by the required completion dates is an essential part of this Agreement, time being of the essence. If the Authority grants an extension of any such date, the Authority shall not be deemed to be waiving any other rights under this Agreement or implying the extension of any other dates.

8.15 Submittals After Completion.

(a) **As Built Documents.** Tenant shall furnish Landlord as-built plans and specifications with respect to the Premises within ninety (90) days after completion of the Initial Improvements. As used in this Section “as-built plans and specifications” means as-built field plans prepared during the course of construction. If Tenant fails to provide as-built plans and specifications to Landlord within such period of time, Landlord after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Landlord’s choice of final as-built plans and specifications, at Tenant’s sole cost, to be paid by Tenant to Landlord within thirty (30) days after Landlord’s request therefor.

(b) **Certified Construction Costs.** Within ninety (90) days after completion of the Initial Improvements, Tenant shall furnish Landlord with an itemized statement of all Construction Costs incurred by Tenant in connection with the construction of the Initial Improvements in accordance with the final construction drawings, certified as true and accurate by a certified public accountant (the “Certified Construction Costs”). Tenant shall keep accurate books and records of all Construction Costs incurred in accordance with accounting principles generally accepted in the construction industry. Landlord shall have the right to inspect Tenant’s records regarding the construction of the Initial Improvements and the costs incurred in connection therewith. If Landlord disagrees with the statement of Certified Construction Costs, Landlord may request that such records may be audited by an independent certified public accounting firm. Such audit shall be binding on the Parties, except in the case of fraud, corruption or undue influence. The entire cost of the audit shall be paid by Landlord unless the audit discovers that Tenant has overstated the Construction Costs by more than five percent (5%), in which case Tenant shall pay the entire cost of the audit.

8.16 Insurance Requirements. During construction of the Initial Improvements, Tenant shall maintain or cause to be maintained the insurance set forth in **Exhibit M**. After five (5) days' written notice to Tenant, Landlord has the right, but not the obligation, to obtain, and thereafter continuously to maintain, any insurance required by this Lease that Tenant fails to obtain or maintain, and to charge the cost of obtaining and maintaining that insurance to Tenant; provided, however, if Tenant reimburses Landlord for any premiums and subsequently provides such insurance satisfactory to Landlord, then Landlord agrees to cancel the insurance it obtained and to credit Tenant with any premium refund.

8.17 Landlord Right of Access. Landlord and its agents will have the right of access to the Premises to the extent necessary to carry out the purposes of this Lease, including, but not limited to, the inspection of Tenant's maintenance of the Premises and inspection of the work being performed by Tenant in constructing the Initial Improvements. To the extent reasonably practicable, Landlord shall take reasonable action to minimize any interference with Tenant's construction activities. Landlord will not be estopped from taking any action (including, but not limited to, later claiming that the construction of the Initial Improvements is defective, unauthorized or incomplete) nor be required to take any action as a result of any such inspection.

8.18 Prevailing Wages and Working Conditions; Local Hire.

(a) Any undefined, initially-capitalized term used in this subsection shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Tenant shall require its Contractors and Subcontractors performing (i) labor in connection with a "public work" as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Tenant agrees to cooperate with Landlord and the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include, and shall require its subtenants, and Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in Landlord or City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the Landlord, the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply

with its obligations under this Section shall constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current rates, see www.sfgov.org/olse/prevailingwages or call the City's Office of Labor Standard Enforcement.

(b) Tenant shall also pay, and shall require its subtenants, and contractors and subcontractors (regardless of tier) to pay, prevailing wages, including fringe benefits or the matching equivalents thereof, to persons performing services for the following activity on the Premises to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Storage Automobile Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Special Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11). If Tenant, or its subtenants, contractors, and subcontractors fail to comply with the applicable obligations in San Francisco Administrative Code Chapter 21C, Landlord shall have all available remedies set forth in Chapter 21C and the remedies set forth in this Lease. Landlord may inspect and/or audit any workplace, job site, books and records pertaining to the applicable services and may interview any individual who provides, or has provided, such services. Tenant shall provide to Landlord (and to require any subtenant, contractor or subcontractor who maintains such records to provide to City) immediate access to all workers' time sheets, payroll records, and paychecks for inspection on request to the extent they relate to such services.

If Tenant, or its subtenants, contractors, and subcontractors fail to comply with the applicable obligations in San Francisco Administrative Code Chapter 21C, City shall have all available remedies set forth in Chapter 21C and the remedies set forth in this Lease. City may inspect and/or audit any workplace, job site, books and records pertaining to the applicable services and may interview any individual who provides, or has provided, such services. Tenant shall provide to City (and to require any subtenant, contractor or subcontractor who maintains such records to provide to City) immediate access to all workers' time sheets, payroll records, and paychecks for inspection on request to the extent they relate to such services.

(c) In connection with any Construction, Tenant shall comply with the local hire requirements set forth in Section 22.25.

8.19 Construction Signs and Barriers. Tenant shall provide appropriate construction barriers and construction signs and post the signs on the Premises during the period of construction. The size, design and location of such signs and the composition and appearance of any non-moveable construction barriers must be submitted to Landlord for approval before installation, which approval may not be withheld, conditioned or delayed unreasonably.

8.20 Certificate of Completion.

(a) Tenant Request for Certificate. After Tenant has completed the construction of the Initial Improvements in accordance with this Lease, Tenant may request a Certificate of Completion in writing. Landlord shall act on Tenant's request within forty-five (45) days of receipt. Landlord's issuance of any Certificate of Completion does not relieve Tenant or any other person from any obligations to secure or comply with any Regulatory Approval of any agency (including Landlord) that may be required for the occupancy or operation of the Improvements of the Initial Improvements. Tenant shall comply with all such requirements or conditions separately.

(b) Deferred Items; Issuance. If there remain uncompleted (i) customary punch list items, (ii) landscaping, or (iii) any other item that Landlord approves in writing that has not yet been completed (collectively "Deferred Items"), Landlord may reasonably condition approval of a Certificate of Completion upon provision of security or other assurances in form, substance and amount satisfactory to Landlord that all the Deferred Items will be completed in a timely fashion. Such security may include a letter of credit (in a form and issued by an institution acceptable to Landlord) or funds in an escrow account acceptable to Landlord (with joint escrow instructions acceptable to both Parties) in the amount of one hundred ten percent (110%) of the cost of completion of the Deferred Items as reasonably determined by Landlord. The obligations set forth in this subsection shall survive a termination of this Lease.

(c) Definition of Completion. For purposes of this Lease, "Completed" and "Completion" mean completion of construction by Tenant of all aspects of the Initial Improvements in accordance with the approved Construction Documents, and in compliance with all Regulatory Approvals, or provision of security satisfactory to Landlord for Deferred Items, and final building permit sign off. Completion shall be evidenced by Landlord's issuance of a Certificate of Completion.

(d) Certification of Completion. The Certificate of Completion will be in the form of **Exhibit N** attached hereto. For purposes of this Lease, the Certificate of Completion will be a conclusive determination of Completion of the Initial Improvements (except for completion of Deferred Items) and of the right of Tenant to occupy all of the Initial Improvements in accordance with the terms of the Lease. The Certificate of Completion is not a notice of completion as referred to in Section 3093 of the California Civil Code.

(e) Failure to Issue. If Landlord refuses or fails to furnish a Certificate of Completion, Landlord shall, within forty-five (45) days, provide Tenant with a written statement specifying the reasons Landlord refused or failed to furnish the Certificate of Completion and identifying the items Tenant shall complete or requirements it shall satisfy to obtain a Certificate of Completion.

8.21 Termination of Agreement Before Completion.

(a) Delivery of Reports and Information. Upon any termination of this Lease before Completion of the Initial Improvements, Tenant shall assign and deliver to Landlord

any and all copies of reports and studies in its possession of Tenant or Tenant's agents, employees, contractors, architects, engineers or consultants or reasonably obtainable by Tenant or reports and studies prepared by or for Tenant regarding the Premises and all Construction Documents in the of Tenant or Tenant's agents, employees, contractors, architects, engineers or consultants or possession reasonably obtainable by Tenant, or prepared for Tenant, for the development of the Premises within thirty (30) days after written demand from Landlord, in each case if and to the extent assignable. Landlord may use said reports, studies and Construction Documents for any purpose whatsoever relating to the Premises, without cost or liability therefor to Tenant or any other person or entity; provided, however, Landlord shall release Tenant and Tenant's contractor, architect, engineer, agents, employees and other consultants from any Losses arising out of Landlord's use of such reports and Construction Documents except to the extent such contractor, architect, engineer, agent, employee or other consultant is retained by Landlord to complete construction. Tenant shall include in all contracts and authorizations for services pertaining to the planning and design of the Initial Improvements an express agreement by the contractor performing such services that the Landlord may use such reports, studies or Construction Documents as provided in this Section without compensation or payment from the Landlord in the event such reports, studies or Construction Documents are delivered to the Landlord under the provisions of this Section, provided that the Landlord agrees (i) not to remove the name of the preparer of such reports of Construction Documents without the preparer's written permission and (ii) to remove it at their written request.

(b) Property Condition. If this Agreement terminates due to an Event of Default by Tenant before completion of the Initial Improvements, Tenant shall, at its sole expense, return the Premises to Landlord in a condition not less safe than the condition of the Premises on the Effective Date, and unless otherwise requested by Landlord, shall remove all loose building materials and debris present at the Premises resulting from Tenant's Construction activities. In the event that Tenant is required to return the Premises as provided above in this Section, Tenant shall obtain those permits customary and necessary to enter upon the Premises in order to complete such work and shall otherwise comply with applicable Law. In such event, Landlord shall cooperate with Tenant in Tenant's efforts to obtain such permits, provided that Landlord will not be required to expend any money or undertake any obligations in connection therewith. The provisions of this Section shall survive any termination of this Agreement.

8.22 Ownership of Initial Improvements / Alterations. The Initial Improvements and any Alterations shall be and remain Tenant's property during the Term. Upon the termination of this Lease, Tenant shall return the Premises, including the Initial Improvement and any Alterations, in good condition as set forth in Article 22; provided, Landlord shall have the right to require Tenant to remove any of the Initial Improvements or Alterations that Landlord determines is not in good condition or has not been maintained as required under this Lease, and Landlord's failure to insist on a higher standard of maintenance shall not limit Landlord's right to require removal at the end of the Term. Any of the Initial Improvements or Alterations that Landlord does not require Tenant to remove shall automatically become Landlord's property, without payment to Tenant, on the expiration or sooner termination of this Lease. If

Landlord elects to require the removal of the Initial Improvements or Alterations, Tenant shall remove such structures, buildings, installations, and/or improvements within ninety (90) days after Landlord's notification to Tenant. Tenant agrees to repair any and all damage occasioned by any such removal.

8.23 Tenant's Personal Property. Tenant's Personal Property shall be and shall remain the property of Tenant and shall be removed by Tenant, subject to the provisions of Article 22. Tenant shall be solely responsible for providing any security or other protection of or maintenance to Tenant's Personal Property.

9. APPROVAL OF FINANCING AND CONSTRUCTION CONTRACT

9.1 Required Submittals. For evidence of financing required to begin construction of the Initial Improvements, Tenant shall submit the items listed below.

(a) Development Budget. A final budget of total development costs for the Initial Improvements (the "Budget") in accordance with (i) the Final Construction Documents or the Preliminary Construction Documents if Tenant is using the Site Permit process and (ii) the Final Development Concept. The Budget shall include, but not be limited to, line items for all pre-development costs, permits and fees, architectural and engineering costs, financing costs, hard construction costs, furniture, fixtures and equipment costs, and costs of all improvements to be constructed by Tenant.

(b) Sources and Uses. A statement and appropriate supporting documents certified by Tenant to be true and correct and in form reasonably satisfactory to Landlord showing sources and expected uses of funds and sufficient to demonstrate that (i) Tenant has or will have adequate funds to complete each phase of the Initial Improvements in accordance with the Budget and (ii) such funds have been spent for uses described in the Budget or are committed and available for that purpose.

(c) Operating Budget. An operating budget, including all anticipated Gross Income, all anticipated expenses, including required deposits into the Capital Maintenance Account, as required by the Lease, and including an estimate of net revenues anticipated to be realized for the period covered by such operating budget (the "Operating Budget"). The Operating Budget must also project expenses, Gross Income and net revenues for the two (2) year period after the initial budget year and must be approved by Landlord. The scope of Landlord's review for such approval shall include whatever Landlord reasonably determines is necessary to conclude that the Initial Improvements are financially feasible.

(d) Debt Financing. With regard to all debt financing, a copy of a bona fide commitment or commitments, with no conditions other than standard and customary conditions (or as otherwise approved by Landlord in its reasonable discretion) and no provisions requiring anything contrary to the terms of this Lease, for the financing of each phase of that portion of the Budget intended to be borrowed by Tenant, certified by Tenant to be a true and correct

copy or copies thereof. In evaluating the proposed Budget, Landlord may consider whether the proposed Budget reflects a reasonable maximum loan to value ratio. The commitment or commitments shall be obtained from a Bona Fide Institutional Lender (or Lenders), and, if required by any construction lenders(s), shall include commitments for permanent financing. Tenant covenants and agrees to perform any and all conditions to funding in accordance with such commitments.

(e) Tenant Equity Investment. With regard to all paid capital contributions or equity, a written statement with appropriate supporting documents certified by Tenant to be true and correct and in a form reasonably satisfactory to Landlord showing actual receipt of contributions.

(f) Construction Contract. Evidence of a guaranteed maximum price contract or a stipulated sum contract for construction of each phase of the Initial Improvements consistent with the approved Budget and the financing for each phase of the Initial Improvements in form reasonably acceptable to Landlord with a contractor reasonably acceptable to Landlord (a "Construction Contract"). Except as otherwise specifically agreed by the TIDA Director in writing, the Construction Contract shall be a contract on commercially reasonable terms for construction of the Initial Improvements described in the Final Construction Documents: (A) with a contract sum or guaranteed maximum price consistent with the approved Budget and financing, (B) requiring Tenant or contractor to obtain performance and payment bonds guaranteeing in full the contractor's performance and payment of subcontractors under the Construction Contract; (C) naming Landlord and the City and their respective boards, commissions, directors, officers, agents, and employees as co-indemnitees with respect to Tenant's contractor's obligation to indemnify and hold harmless Tenant from all Losses arising out of the Construction Contract; (D) requiring Tenant and Contractor (as applicable) to obtain and maintain insurance coverages reasonably acceptable to Landlord, including general liability and builder's risk insurance coverage that names City and its directors, officers, agents, and employees as additional insureds under the terms of the policies, (E) identifying Landlord as an intended third party beneficiary of the Construction Contract, with the right to enforce the terms and conditions of the Construction Contract and pursue all claims thereunder as if it were an original party thereto; (F) consenting to the assignment of the Construction Contract to Landlord, in whole or in part, including but not limited to the assignment of (i) all express and implied warranties and guarantees from the contractor, all subcontractors and suppliers, (ii) all contractual rights related to the correction of nonconforming work, and (iii) the right to pursue claim(s) for patent and latent defects in the work and the completed project; and (G) providing for the contractor's(s') obligation, for a period of at least one (1) year after the final completion of construction of the Initial Improvements, to correct, repair, and replace any work that fails to conform to the Final Construction Documents (as the same may be revised during construction pursuant to properly approved change orders) and damage due to: (i) faulty materials or workmanship; or (ii) defective installation by such contractor(s) of materials or equipment manufactured by others.

(g) Adequate Security. Evidence of a performance bond or other security approved

by Landlord, in 100% of the cost of construction of each phase of the Initial Improvements. A performance bond must be issued by a responsible surety company licensed to do business in California and acceptable to Landlord.

The foregoing submissions may be in substantially final form (including the pricing under the Construction Contract) at the time of initial submission by Tenant, but must be noted as such at the time of such submission and all material changes to such submission thereafter must be resubmitted to Landlord for approval with all additions and deletions clearly noted by Tenant. All such submissions must be in final form by no later than ten (10) days before the proposed start of construction.

9.2 Approval Process. Within thirty (30) days after Tenant's submission of all of the documents described in Section 9.1, Landlord will notify Tenant in writing of its approval or disapproval (including the reasons for disapproval) of the evidence of financing, provided that at least forty-five (45) days before the date of such request for approval, Landlord shall have received Preliminary Construction Documents in sufficient detail to allow Landlord to obtain a cost estimator's report if Landlord, in its sole discretion and at its sole cost and expense, determines to obtain such a report.

10. NO LIENS

10.1 Construction Liens. Tenant shall keep the Premises, this Lease, and any improvements thereon free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant or its agents. If Tenant does not, within twenty (20) days following the imposition of any such lien, cause the same to be released of record or sufficiently bonded over in Landlord's reasonable determination, it shall be a material default under this Lease, and Landlord shall have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including without limitation, payment of the claim giving rise to such lien. All sums paid by Landlord for such purpose and all reasonable expenses incurred by Landlord in connection therewith shall be payable to Landlord by Tenant within thirty (30) days following written demand by Landlord. Landlord shall keep the Premises and any Improvements thereon free from any liens arising out of any work performed, materials furnished or obligations incurred by Agents of Landlord. Without limiting the foregoing, Tenant shall Indemnify Landlord for any and all Losses resulting from any liens against the Premises or any improvements thereon.

10.2 Contests. Tenant may contest the validity or amount of any tax, assessment, encumbrance or lien related to the Premises and to pursue any remedies associated with such contest; provided, however, such contest and pursuit of remedies does not subject the Premises or any portion of it to forfeiture or sale and such contest shall be subject to all of the terms and conditions of the Lease, including, but not limited to, the provision of security.

11. SUBSEQUENT IMPROVEMENTS / ALTERATIONS

11.1 Subsequent Improvements / Alterations. Following Completion of the Initial Improvements, Tenant shall not construct, install, make or permit to be made any alterations, installations or additions in, to or about the Premises costing in excess of One Hundred Fifty Thousand Dollars (\$150,000) over the course of any twenty-four (24) month period (“Alterations”) without Landlord's prior written consent in each instance, which consent shall not be unreasonably withheld, conditioned or delayed. Subject to Landlord's consent as provided above, any Alterations shall be done at Tenant's sole expense (i) in strict accordance with plans and specifications approved in advance by Landlord in writing, (ii) by Tenant or by duly licensed and bonded contractors or mechanics approved by Landlord, (iii) in a good and professional manner, (iv) in strict compliance with all Laws, and (v) subject to all other conditions that Landlord may reasonably impose. In no event shall the construction, installation or the making of any Alterations impair the use or operation of the Treasure Island property, or any portion thereof, or Landlord's access thereto. Prior to the commencement of any work on the Premises to construct any Alterations, Tenant, at its sole expense, shall procure all Regulatory Approvals and shall promptly upon receipt deliver copies of all such documents to Landlord. All construction related requirements for Alterations, including without limitation Landlord’s review and approval of Construction Documents, the contractor, insurance, bonding, financing and other construction requirements shall be as set forth in Article 8 and Article 9; provided, Landlord shall have the right to waive any such requirements in its sole discretion. No material change from the plans and specifications for any Alterations approved by Landlord may be made without Landlord's prior consent. Landlord and Landlord’s Agents shall have the right to inspect the course of construction on the Premises at all times.

(a) Material Changes. Once approved, any and all material changes to such plans for Alterations must be approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) Landlord Notification. Tenant shall notify Landlord before submitting an application to any governmental regulatory agency for a Regulatory Approval for Alterations. Tenant shall also provide Landlord with a copy of all such applications within five (5) days of submittal, along with copies of all any plan submitted as part of the application. Tenant shall also provide Landlord, within ten (10) days of Tenant’s receipt, a copy of all permits, licenses, or other authorizations subsequently issued.

(c) Construction. Upon satisfaction of all conditions, Tenant shall construct the Alternations, at Tenant’s cost, in accordance with the requirements set forth in Article 8. Upon completion, Tenant shall provide to Landlord as-built plans of the Alterations.

11.2 Minor Alterations. Tenant may construct, install, make or permit to be made any alterations, installations or additions in, to or about the Premises costing less than One Hundred Fifty Thousand Dollars (\$150,000) over the course of any twenty-four (24) month period (“Minor Alterations”) without Landlord’s prior written consent. Any Minor alterations shall be performed at Tenant's sole expense by Tenant or by duly licensed and bonded contractors or

mechanics, and in a good and professional manner. In no event shall the construction, installation or the making of any Minor Alterations impair the use or operation of the Treasure Island property, or any portion thereof, or Landlord's access thereto. Prior to the commencement of any work on the Premises to construct any Minor Alterations, Tenant, at its sole expense, shall procure all Regulatory Approvals and shall promptly upon receipt deliver copies of all such documents to Landlord. The requirements of Section 8.2 [Construction Standards], 8.4 [Utilities], 8.17 [Landlord Right of Access], 8.18 [Local Hire and Wages and Working Conditions], 8.19 [Construction Signs and Barriers], 8.23 [Ownership of Initial Improvements/Alterations], and 8.24 [Tenant's Personal Property] shall apply to all Minor Alterations.

11.3 Landlord's Alterations. Landlord reserves the right at any time to make alterations, additions, repairs, deletions or improvements to the common areas or any other part of Treasure Island without Tenant's prior written consent provided that any such alterations or improvements shall not materially adversely affect the functional utilization of the Premises for the purposes stated herein or materially interfere with Tenant's access to the Premises.

12. MAINTENANCE AND REPAIR

12.1 Tenant Responsibility.

(a) Tenant Maintenance. Tenant shall assume full responsibility for operation and maintenance of the Premises throughout the Term at no cost to Landlord. Tenant shall perform all maintenance, which includes all painting, repairs, and replacements necessary to maintain and preserve the Premises in a good, safe, healthy, and sanitary condition, satisfactory to Landlord and in compliance with all applicable Laws. Tenant shall make such repairs with materials, apparatus and facilities at least equal in quality, appearance and durability to the materials, apparatus and facilities repaired or replaced. Without limiting the foregoing, Tenant shall promptly make all such repairs and replacements: (a) at no cost to City, (b) by licensed contractors or qualified mechanics, and (c) in accordance with any applicable Laws. Tenant shall provide approved containers for trash and garbage and keep the Premises free and clear of rubbish, litter, and any other fire hazards, and encourage maximum waste diversion consistent with City policies. By March 1 of each year, Tenant shall develop and implement a preventive maintenance schedule and provide a copy to Landlord. Tenant shall also contract with qualified independent contractors, paying prevailing wages, for the maintenance and repair of items that is not performed by regular maintenance employees.

(b) No Landlord Duty. Landlord shall not, as a result of this Lease, have any obligation to make repairs or replacements of any kind or maintain the Premises or the Clipper Cove Marina in any manner. Tenant waives all rights to make repairs at the expense of Landlord, as provided in Section 1942 of the California Civil Code, and all rights provided by Section 1941 of said Code.

(c) Notice. Tenant shall deliver to Landlord, promptly after receipt, a copy of any notice which Tenant may receive from time to time: (i) from any governmental authority

having responsibility for the enforcement of any applicable Laws, asserting that the Premises is in violation of applicable Laws; or (ii) from the insurance company issuing or responsible for administering one or more of the insurance policies maintained by Tenant under this Lease, asserting that the requirements of such insurance policy or policies are not being met. Landlord shall deliver to Tenant, promptly after receipt, a copy of any notice which Landlord may receive from time to time from any governmental authority having responsibility for the enforcement of any applicable Laws, asserting that the Premises is in violation of such Laws.

12.2 Reserve Account.

(a) **Reserve Accounts.** To ensure adequate funding for capital repairs and maintenance and for future dredging, Tenant shall maintain a segregated interest-bearing reserve depository account (the "Capital Reserve Account") to pay for ongoing repairs and capital expenditures approved by Landlord and a segregated interest-bearing reserve depository account (the "Dredge Reserve Account") to pay for future dredge costs approved by Landlord. On the 181st day of each year, commencing in 2020, Tenant shall deposit into the Capital Reserve Account an amount equal to Twenty Five Thousand Dollars (\$25,000) until the Capital Reserve Account holds One Hundred Thousand Dollars (\$100,000) (the "Reserve Account Maximum") and shall deposit an amount equal to Twenty Five Thousand Dollars (\$25,000) into the Dredge Reserve Account until that account holds Two Hundred Thousand Dollars (\$200,000) (the "Reserve Account Maximum"). Tenant may use funds in the Reserve Accounts from time to time for expenditures approved by the Treasure Island Director, which approval will not be unreasonably withheld or delayed. As funds are disbursed from the Reserve Accounts, Tenant shall replenish the Reserve Accounts annually until the Reserve Accounts Maximum is reached. During the last four (4) years of the Term, Tenant shall not be required to make any contributions to the Reserve Accounts. Upon the expiration or termination of this Agreement, all funds remaining in the Reserve Accounts shall be paid to the Landlord.

(b) **Inspection Reports.** Not less frequently than once every ten (10) years, Tenant shall conduct an inspection and physical needs assessment for the Premises to identify replacements and repairs required to maintain the Premises in good order and repair and to keep the Improvements from deteriorating, and shall cause to be prepared a written report (the "Inspection Report") detailing the results of such inspection and assessment. The Inspection Report shall identify capital repairs and improvements which are reasonably required to preserve, repair or replace capital improvements, fixtures or equipment located on or used in connection with the operation of the Premises as well as routine maintenance and repairs. The Inspection Report shall inform the use of the Reserve Account.

12.3 Landlord Inspection. For the purpose of keeping the Premises in a good, safe, healthy, and sanitary condition, Landlord always shall have the right but not the duty to enter, view, inspect, determine the condition of, and protect its interests in the Premises, provided that Landlord or its representatives shall: (a) conduct such entry in a manner that causes the least inconvenience and disruption to Tenant's operation as practicable; (b) occurs after

reasonable notice to Landlord; and (c) comply with all reasonable safety and security requirements of Tenant. Tenant's safety and security requirements cannot be used to bar Landlord's right of inspection.

12.4 Tenant Work Following Landlord Notification. If Landlord determines, following inspection, that the Premises are not in the condition required herein, Landlord shall notify Tenant of the same, together with the reasons for Landlord's determination and a statement of work that Tenant should complete in order to bring the Premises into compliance ("Landlord's Work Notice"). Tenant shall, within fifteen (15) days of receiving Landlord's Work Notice, notify Landlord that it intends to complete the work or, if Tenant believes that some or all of the work set forth in Landlord's Work Notice is not required, Tenant shall notify Landlord of the same and the reasons the specified work is not required. The parties agree to meet and confer in good faith for not less than sixty (60) days to agree upon an acceptable scope of work and schedule. Tenant shall begin the necessary work within ninety (90) days following the meet and confer period and diligently prosecute the same to completion. If Regulatory Approvals are required to start the work, then Tenant will begin the work within ninety (90) days following receipt of the necessary Regulatory Approval. Tenant shall not be in default of this Lease if Tenant commences the work within the above periods and diligently prosecutes same to completion.

12.5 Landlord Not Responsible For Maintenance or Dredging. Notwithstanding anything in this Lease to the contrary, Landlord shall not be required to perform any maintenance, including painting, repairs, or replacements; or to make any improvements whatsoever in or around the Premises. Landlord shall not be responsible for any dredging of Clipper Cover or surrounding areas. Any dredging required for Tenant's use of the Premises shall be performed by Tenant at its sole cost.

12.6 Landlord's Self-Help Rights. In the event Tenant fails to maintain, repair or make any repairs or replacements as required, Landlord may, but shall not be required, upon not less than thirty (30) days prior written notice (or in the case of an emergency, notice of not less than the time period which would be reasonable in light of the nature of the emergency) and Tenant's failure to timely remedy any maintenance item properly noticed, or make any repair or replacement properly noticed, undertake the maintenance, repair or replacement noticed and the actual out-of-pocket cost thereof (including, but not limited to, the cost of labor overhead, materials and equipment) shall be charged to Tenant and payable by Tenant to Landlord as additional rent within thirty (30) days following delivery by Landlord to Tenant of a statement (with supporting invoices to the extent available) setting forth in reasonable detail the cost of such maintenance, repair or replacement. Landlord's rights reserved in this Article 12 shall not create or increase any Landlord obligations in this Lease.

12.7 Utilities. Landlord shall provide connection points to the basic electricity, water and sewer utilities to the Premises. Tenant shall be responsible for obtaining, and paying for, any utilities or services that Tenant may need for its use of the Premises. Tenant shall pay, without set off or counterclaim, all amounts due and owing for such utilities and services at the rates

charged by the utility provider. Tenant understands and acknowledges that existing utility lines at Treasure Island are old and in need of repair and replacement, and any interruption in, or failure or inability to provide any utility shall not constitute an eviction of Tenant, constructive or otherwise, or impose upon Landlord or the City any liability whatsoever. Tenant agrees, with respect to any public utility services provided to the Premises by Landlord or the City (if applicable), that no act or omission of Landlord or the City in its capacity as a provider of public utility services shall abrogate, diminish, or otherwise affect the respective rights, obligations and liabilities of Tenant under this Lease, or entitle Tenant to terminate this Lease or to claim any abatement or diminution of Rent. Further, Tenant covenants not to raise as a defense to its obligations under this Lease, or assert as a counterclaim or cross-claim in any litigation or arbitration between Tenant and Landlord relating to this Lease, any losses arising from or in connection with the provision (or failure to provide) public utility services. If and to the extent utility services are provided by the SFPUC, Tenant agrees to purchase such services from the SFPUC at the standard rates charged to tenants and property owners.

12.8 Other Services. Tenant shall provide all janitorial services for the Premises at no cost to Landlord. Tenant shall provide and pay for all pest control services required within the Premises, and shall keep the Premises free of all pests at all times in compliance with Laws. Tenant shall deposit all trash into designated containers in the Premises in compliance with the Rules and Regulations. Tenant shall pay for the removal of trash from the designated containers. Tenant shall abide by all rules established by Landlord for the handling of trash.

12.9 No Right to Repair and Deduct. Tenant expressly waives the benefit of any existing or future Laws or judicial or administrative decision that would otherwise permit Tenant to make repairs or replacements at Landlord's expense, or to terminate this Lease because of Landlord's failure to keep the Premises or any part of Treasure Island in good order, condition or repair, or to abate or reduce any of Tenant's obligations hereunder on account of the Premises or any part thereof being in need of repair or replacement. Without limiting the foregoing, Tenant expressly waives the provisions of California Civil Code Sections 1932, 1941 and 1942 or any similar Laws with respect to any right of Tenant to terminate this Lease and with respect to any obligations of Landlord hereunder or any right of Tenant to make repairs or replacements and deduct the cost thereof from Rent.

12.10 Water and Energy Conservation; Mandatory or Voluntary Restrictions. If any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on Landlord or the Premises or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this Lease, or in the event Landlord is required or elects to make alterations to any part of the Premises in order to comply with such mandatory or voluntary controls or guidelines or to save power, water or other utility charges, such compliance and the making of such alterations shall in no event entitle Tenant to any damages, relieve Tenant of the obligation to pay the full Rent hereunder or to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Tenant, provided that Landlord shall consult with Tenant prior to the construction of any

such alterations in order to minimize the effect of any such improvement on the operations of Tenant under this Lease.

13. COMPLIANCE WITH LAWS

13.1. Compliance with Laws. Tenant shall promptly, at its sole expense, maintain the Premises and Tenant's use and operations thereon in strict compliance at all times with all present and future Laws relating to the Premises or the use or occupancy thereof, whether foreseen or unforeseen, ordinary as well as extraordinary, and with any and all recorded covenants, conditions and restrictions affecting the Treasure Island property or any portion thereof. Such Laws shall include, without limitation, all Laws relating to health and safety and disabled accessibility including, without limitation, the Americans with Disabilities Act, 42 U.S.C. §§ 12101 et seq. and Title 24 of the California Code of Regulations, all present and future Hazardous Materials Laws (as defined in this Lease below), and all applicable provisions of the San Francisco Environment Code. Tenant acknowledges that the Permitted Uses do not limit Tenant's responsibility to obtain Regulatory Approvals for such uses, including but not limited to, building permits. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall give Tenant any right to seek redress against Landlord for failing to comply with any Laws. Tenant's obligation to comply with all Laws provided herein is a material part of the bargained for consideration under this Lease. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel City to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

13.2. Regulatory Approvals; Responsible Party. Tenant understands and agrees that Tenant's use of the Premises and construction of any Alterations permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Tenant shall be solely responsible for obtaining any and all such regulatory approvals, including without limitation, any liquor permits or approvals. Tenant shall not seek any regulatory approval without first obtaining the written consent of Landlord. Tenant shall bear all costs associated with applying for, obtaining and maintaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Tenant, and Landlord shall have no liability, monetary or otherwise, for any such fines or penalties. Tenant shall Indemnify Landlord and City, including their respective Agents, against any and all Losses arising in connection with Tenant's failure to obtain or comply with the terms and conditions of any regulatory approval.

13.3. Compliance with Landlord's Risk Management Requirements. Tenant shall not do anything, or permit anything to be done, in or about the Premises or to any Alterations

permitted hereunder that would create any unusual fire risk, and shall take commercially reasonable steps to protect Landlord from any potential premises liability. Tenant shall faithfully observe, at its expense (i) any and all reasonable requirements of Landlord's Risk Manager with respect thereto, and (ii) the requirements of any policies of commercial general liability, all risk property or other policies of insurance at any time in force with respect to the Premises and any Alterations.

14. LIENS AND LEASEHOLD MORTGAGES

14.1 No Liens on Landlord's Fee Interest.

Tenant may not under any circumstance engage in any financing or other transaction creating any mortgage, lien or other encumbrance on Landlord's fee interest in the Premises. Landlord's fee interest in the Premises shall not be subordinated under any circumstance whatsoever to any Mortgage allowed under this Lease.

14.2 Leasehold Encumbrances.

(a) Tenant's Right to Mortgage Leasehold. Except as expressly permitted in this Article 14, Tenant shall not Encumber Tenant's leasehold interest in the Premises, the Initial Improvements or Alterations, or this Lease. Any Mortgage that is not permitted hereunder shall be deemed to be a violation of this Lease on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced. Pursuant to the terms and to the extent permitted by this Section, Tenant shall have the right to Encumber Tenant's leasehold estate created by this Lease by way of a leasehold Mortgage, including a loan or loans from the California Division of Boating and Waterways; provided that, (i) notwithstanding any foreclosure thereof, Tenant shall remain liable for the payment of Rent and for the performance of all other obligations under this Lease, and (ii) no Mortgage shall secure debt that exceeds seventy percent (70%) of the cost of the Initial Improvements without the prior written approval of the Authority Director. Tenant shall promptly notify Landlord of any lien or encumbrance of which Tenant has knowledge and which has been recorded against or attached to the Premises, the Initial Improvements or Alterations, or Tenant's leasehold estate hereunder whether by act of Tenant or otherwise. In no event will Landlord's fee interest in the Premises (including, without limitation Landlord's right to receive rent hereunder) be encumbered or subordinated as a result of any Mortgage entered into by Tenant.

(b) Leasehold Mortgage Subject to this Lease. With the exception of the rights expressly granted to Mortgagees in this Lease, the execution and delivery of a Mortgage shall not give or be deemed to give a Mortgagee any greater rights than those granted to Tenant hereunder. Notwithstanding anything herein to the contrary, any rights given to Mortgagees under this Lease shall not apply to more than one Mortgagee at any one time. If at any time there is more than one Mortgage constituting a lien on any portion of the Premises, the lien of the Mortgage prior in time to all others shall be vested with the rights under this Article 14 to the exclusion of the holder of any junior Mortgage. In the event that the California Division of Boating and Waterways (DBW) provides a loan or loans to Tenant for construction of the marina, Landlord agrees that in the event of a Tenant default under this Lease DBW, as Lender

shall not be obligated to pay the Base Rent or any Percentage Rent to Landlord and the obligation to pay the Base Rent and any Percentage Rent shall be the sole obligation of Tenant.

(i) No Invalidation of Mortgage by Tenant Default. No failure by Tenant or any other party to comply with the terms of any Mortgage, including, without limitation, the use of any proceeds of any debt, the repayment of which is secured by the Mortgage, shall be deemed to invalidate, defeat or subordinate the lien of the Mortgage. Neither the occurrence of any default under a Mortgage, nor any foreclosure action or conveyance in-lieu-of foreclosure, nor any action taken by a Mortgagee as permitted under the terms of the Mortgage or to cure any default of Tenant under this Lease, shall, by itself, constitute an Event of Default under this Lease.

(ii) Purpose of Mortgage; Protections Limited to Permitted Mortgagees. A Mortgage may be given only to a Bona Fide Institutional Lender, or to any other lender approved by Landlord in its sole discretion. A Mortgage shall be made only to finance the Initial Improvements or any approved Alterations, or for the purpose of refinancing a permitted Mortgage, and shall not be cross-collateralized or cross defaulted with any other debt of Tenant or any other party. Tenant shall not be permitted to refinance a permitted Mortgage in order to take out cash for application to property other than the Premises or for application to the obligations of Tenant other than those created under this Lease.

(iii) Rights Subject to Lease; Restoration Obligations. All rights acquired by the Mortgagee under a Mortgage shall be subject to each and all of the covenants, conditions and restrictions set forth in this Lease, and to all rights of Landlord hereunder. None of such covenants, conditions and restrictions is or shall be waived by Landlord by reason of the giving of the Mortgage, except as expressly provided in this Lease or otherwise specifically waived by Landlord in writing. Except as set forth below, no Mortgagee shall be obligated to restore any damage to the Premises; provided, however, (i) that nothing in this Section shall be deemed or construed to permit or authorize any such holder to devote the Premises or any part thereof to any uses, or to construct any improvements thereon, other than those uses or improvements permitted under this Lease, and (ii) in the event that the Mortgagee obtains title to the leasehold and chooses not to complete or restore the improvements where Tenant otherwise has the obligation to so restore, it shall so notify Landlord in writing of its election within forty-five (45) days following its acquisition of the tenancy interest in this Lease and shall sell its tenancy interest with reasonable diligence to a purchaser that shall be obligated to restore the improvements as required under this Lease, but in any event the Mortgagee shall cause such sale to occur within six (6) months following the Mortgagee's written notice to Landlord of its election not to restore. If Mortgagee fails to sell its tenancy interest using good faith efforts within such six (6) month period, it shall not constitute a default hereunder, but the Mortgagee shall be obligated by the provisions of this Lease to restore the improvements to the extent Tenant is required under this Lease to so restore, and all such work shall be performed in accordance with all the requirements set forth in this Lease.

(iv) Required Notice Provision in Mortgage. Tenant agrees to have any Mortgage provide: (a) that the Mortgagee shall by registered or certified mail give a copy of each written notice to Landlord of the occurrence of any event of default under the Mortgage; (b) that Landlord shall be given notice at the time any Mortgagee initiates any

foreclosure action; and (c) that the disposition and application of insurance and condemnation awards shall be in accordance with the provisions of this Lease.

14.3 Notices to Mortgagee.

(a) Copies of Notices. Subject to subsection (b) below, Landlord shall give a copy of each default notice Landlord gives to Tenant from time to time of the occurrence of a default or an Event of Default, to a Mortgagee that has given to Landlord written notice substantially in the form provided in subsection (b). Copies of such notices shall be given to the Mortgagee at the same time as notices are given to Tenant by Landlord, addressed to the Mortgagee at the address last furnished to Landlord. Landlord's delay or failure to give such notice to the Mortgagee shall not be deemed to constitute a default by Landlord under this Lease, but such delay or failure shall extend for the number of days until such notice is given, the time allowed to the Mortgagee to cure any default by Tenant. Any such notices to Mortgagee shall be given in the same manner as provided in Section 24.1 [Notices].

(b) Notice From Mortgagee to Landlord. The Mortgagee shall be entitled to receive notices from time to time given to Tenant by Landlord under this Lease in accordance with subsection (a) above, provided such Mortgagee shall have delivered a notice to Landlord in substantially the following form:

“The undersigned does hereby certify that it is the Mortgagee, as such term is defined in that certain Lease entered into by and between Landlord and County of San Francisco, as landlord, and _____, as tenant (the “**Lease**”), of Tenant's interest in the Lease of the premises known as the Treasure Island Marina/Clipper Cove, a legal description of which is attached hereto as Exhibit A-2. The undersigned hereby requests that copies of any and all default notices from time to time given under the Lease by Landlord to Tenant be sent to the undersigned at the following address:
_____.”

14.4 Mortgagee's Right to Cure.

If Tenant shall enter into a Mortgage in compliance with the provisions of this Lease, then, so long as any such Mortgage shall remain unsatisfied of record, the following provisions shall apply:

(a) Cure Periods. In the case of any notice of default given by Landlord to Tenant, the Mortgagee shall each have the same concurrent cure periods as are given Tenant under this Lease for remedying a default or causing it to be remedied plus an additional fifteen (15) days thereafter for a monetary default or an additional thirty (30) days thereafter for a nonmonetary default, and Landlord shall accept such performance by or at the instance of the Mortgagee as if the same had been made by Tenant within the applicable cure periods under the Lease.

(b) Foreclosure. Notwithstanding anything contained in this Lease to the contrary, upon the occurrence of an Event of Default, other than an Event of Default due to a default in the payment of money or other default reasonably susceptible of being cured before Mortgagee obtaining possession, Landlord shall take no action to effect a termination of this

Lease if, within thirty (30) days after notice of such Event of Default is given to Mortgagee, a Mortgagee shall have (x) obtained possession of the Premises (including possession by a receiver), or (y) notified Landlord of its intention to institute foreclosure proceedings or otherwise acquire Tenant's interest under the Lease, and thereafter promptly commences and prosecutes such proceedings with diligence and dispatch and completes such proceedings no later than six (6) months thereafter. A Mortgagee including DBW, upon acquiring Tenant's interest under this Lease, shall be required promptly to cure all monetary defaults and all other defaults then reasonably susceptible of being cured by such Mortgagee. The foregoing provisions of this subsection (b) are subject to the following: (i) no Mortgagee shall be obligated to continue possession or to continue foreclosure proceedings after the defaults or Events of Default hereunder referred to shall have been cured; (ii) nothing herein contained shall preclude Landlord, subject to the provisions of this Section, from exercising any rights or remedies under this Lease (other than a termination of this Lease to the extent otherwise permitted hereunder) with respect to any other Event of Default by Tenant during the pendency of such foreclosure proceedings; and (iii) the Mortgagee shall agree with Landlord in writing to comply during the period Landlord forebears from terminating this Lease with the terms, conditions and covenants of this Lease that are reasonably susceptible of being complied with by the Mortgagee. Notwithstanding anything to the contrary, the Mortgagee shall have the right at any time to notify Landlord that it has relinquished possession of the Premises to Tenant, or that it will not institute foreclosure proceedings or, if such foreclosure proceedings have commenced, that it has discontinued them, and, in such event, the Mortgagee shall have no further rights or liability from and after the date it delivers such notice to Landlord, and, thereupon, Landlord shall be entitled to seek the termination of this Lease and/or any other available remedy as provided in this Lease. If Mortgagee is prohibited by any process or injunction issued by any court having jurisdiction of any bankruptcy or insolvency proceedings involving Tenant from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof, the times specified above for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition, provided that Mortgagee shall (i) have fully cured any Event of Default due to a default in the payment of money, (ii) continue to pay currently such monetary obligations as and when the same become due, and (iii) perform all other obligations of Tenant under this Lease to the extent that they are reasonably susceptible of being performed by the Mortgagee. Notwithstanding anything herein to the contrary, to the extent the Mortgagee is not reasonable capable of performing an obligation under this Lease, such obligations shall apply to and remain effective on a prospective basis to any assignee or transferee of the Mortgagee notwithstanding Mortgagee's inability to perform. Notwithstanding anything to the contrary above, if the Premises are not used by Tenant or Mortgagee or a designee of Mortgagee as required by this Lease and such non-use continues for a period of twelve (12) months, then Landlord shall have the right to terminate this Lease by providing thirty (30) days' notice of termination, subject to Tenant's and/or Mortgagee's right to cure by commencing operations during the thirty (30) day period and continuing thereafter in accordance with this Lease.

(c) Construction. Subject to subsection (b) above, if an Event of Default occurs following any damage but before restoration of the Initial Improvements or Alterations, the Mortgagee, either before or after foreclosure or action in lieu thereof, shall not be obligated

to restore the improvements beyond the extent necessary to preserve or protect the improvements or construction already made, unless the Mortgagee expressly assumes Tenant's obligations to Landlord by written agreement reasonably satisfactory to Landlord, to restore, in the manner provided in this Lease, the improvements. Upon assuming Tenant's obligations to restore, the Mortgagee or any transferee of Mortgagee shall not be required to adhere to the existing construction schedule, but instead all dates set forth in this Lease for such restoration or otherwise agreed to shall be extended for the period of delay from the date that Tenant stopped work on the restoration to the date of such assumption.

(d) New Lease. In the event of the termination of this Lease before the expiration of the Term, except as a result of damage or destruction to the Premises as set forth in Article 15 or a Taking as set forth in Article 16, Landlord shall serve upon the Mortgagee written notice that this Lease has been terminated, together with a statement of any and all sums which would at that time be due under this Lease but for such termination, and of all other defaults, if any, under this Lease then known to Landlord. The Mortgagee shall thereupon have the option to obtain a New Lease (a "New Lease") in accordance with and upon the following terms and conditions:

(i) Upon the written request of the Mortgagee, within thirty (30) days after service of such notice that this Lease has been terminated, Landlord shall enter into a New Lease of the Premises with the Mortgagee within such period or its designee, subject to the provisions set forth in this Section and provided that the Mortgagee assumes all of Tenant's obligations under any subleases or contracts affecting the Premises then in effect; and

(ii) Such New Lease shall be entered into at the sole cost of the Mortgagee, shall be effective as of the date of termination of this Lease, and shall be for the remainder of the Term of this Lease and at the Rent and upon all the agreements, terms, covenants and conditions hereof, in substantially the same form as this Lease (provided however, that Mortgagee shall not be required to comply with any Laws or ordinances adopted by Landlord after the Commencement Date hereof to the extent that such Laws or ordinances would not have been applicable to Tenant under this Lease). Such New Lease shall require the Mortgagee to perform any unfulfilled obligation of Tenant under this Lease. Upon the execution of such New Lease, the Mortgagee shall pay any and all sums which would at the time of the execution thereof be due under this Lease but for such termination, and shall pay all expenses, including Attorneys' Fees and Costs incurred by Landlord in connection with such defaults and termination, the recovery of possession of the Premises, and the preparation, execution and delivery of the New Lease. Effective upon the commencement of the term of any New Lease, any sublease or contract then in effect shall be assigned and transferred to Mortgagee.

(e) Nominee. Any rights of a Mortgagee under this Article 14 may be exercised by or through its nominee or designee (other than Tenant) which is an affiliate of the Mortgagee; provided, however, no Mortgagee shall acquire title to the Lease through a nominee or designee which is not a person otherwise permitted to become Tenant hereunder; provided, further that the Mortgagee may acquire title to the Lease through a wholly owned (directly or indirectly) subsidiary of the Mortgagee.

(f) Limited to Permitted Mortgagees. Notwithstanding anything herein to the contrary, the provisions of this Article 14 shall inure only to the benefit of the holder of a Mortgage which is permitted hereunder.

(g) Consent of Mortgagee. No material modification, termination or cancellation of this Lease (herein, a “change”) shall be effective as against a permitted Mortgagee unless a copy of the proposed change shall have been delivered to the Mortgagee and such Mortgagee shall have approved the change in writing, which approval shall not be unreasonably withheld, conditioned or delayed. Any Mortgagee shall either approve or disapprove the proposed modification, termination, cancellation or surrender, as applicable, with specified reasons for any disapproval together with reasonable requirements that if satisfied would obtain Mortgagee's approval, in writing within thirty (30) days after delivery of a copy thereof. Mortgagee's failure to deliver an approval or disapproval notice within such thirty (30) day period shall be deemed approval.

(h) Limitation on Liability of Mortgagee. Notwithstanding anything herein to the contrary, no Mortgagee shall be liable to perform Tenant's obligations under this Lease unless and until the Mortgagee acquires Tenant's rights under this Lease.

14.5 Assignment by Mortgagee.

The foreclosure of any Mortgage, or any sale thereunder, whether by judicial proceedings or by virtue of any power contained in the Mortgage, or any conveyance of the leasehold estate hereunder from Tenant to any Mortgagee or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature thereof, shall not require the consent of Landlord or constitute a breach of any provision of or a default under this Lease, and upon such foreclosure, sale or conveyance Landlord shall recognize the Mortgagee or other transferee in connection therewith as the tenant under this Lease. Such Mortgagee's or transferee's right thereafter to transfer, assign or sublet this Lease or a New Lease shall be subject to the restrictions of Article 17.

14.6 Transfer of Mortgage.

Landlord hereby consents to the transfer of a Mortgage, provided such transfer is to a Bona Fide Institutional Lender and otherwise satisfies the requirements of this Lease, and in the event of any such transfer, the new holder of the Mortgage shall have all the rights of its predecessor Mortgagee hereunder until such time as the Mortgage is further transferred or released from the leasehold estate.

14.7 Memorandum of Lease.

In the event the recordation of a memorandum of this Lease (a “Memorandum of Lease”) is necessary in connection with a Mortgage permitted under this Lease, Tenant shall have the right to at its sole cost to record a Memorandum of Lease confirming the existence of this Lease, and commencement and expiration dates and option dates, and referencing the actual Lease for all other provisions. In such event, Landlord agrees to prepare, execute and acknowledge such Memorandum of Lease in recordable form, and deliver the Memorandum of Lease to Tenant for Tenant's execution and recordation at Tenant's cost. If such a Memorandum of Lease is recorded, then upon expiration or earlier termination of this Lease,

Tenant agrees promptly to execute, acknowledge and deliver to Landlord, upon written request by Landlord, a termination of such Memorandum of Lease in such form as Landlord may reasonably request, for the purpose of terminating any continuing effect of the previously recorded Memorandum of Lease as a cloud upon title to the Premises, and Tenant shall Indemnify Landlord from and against any and all Losses (including, without limitation, Attorneys' Fees and Costs) arising out of or in connection with Tenant's failure to so promptly execute such termination of Memorandum of Lease.

14.8 Assignment of Rents.

Tenant hereby assigns to Landlord, as security for Tenant's performance of its obligations under this Lease, all of Tenant's right, title and interest in and to all rents and fees due or to become due from any present or future subtenant, licensee, concessionaire, or other person occupying or providing services or goods on or to the Premises (collectively, "Assigned Rents"), but such assignment shall be subject to the right of Tenant to collect such rents until the date of any default hereunder. Landlord shall apply amount collected hereunder to the Rent due under this Lease. The foregoing assignment shall be subject and subordinate to any assignment made to a Mortgagee under Section 14.2 of which Landlord has been made aware in writing until such time as Landlord has terminated this Lease, at which time the rights of Landlord in all rents and other payments assigned pursuant to this Section shall become prior and superior in right. Such subordination shall be self-operative. However, in confirmation thereof, Landlord shall, upon the request of a Mortgagee, execute a subordination agreement reflecting the subordination described in this Section in form and substance reasonably satisfactory to such Mortgagee and to Landlord. Notwithstanding the foregoing, if this Lease terminates by reason of an Event of Default, any Mortgagee which actually collected any rents from any Subtenants pursuant to any assignment of rents or subleases made in its favor shall promptly remit to Landlord the rents so collected (less the actual and reasonable cost of collection) to the extent necessary to pay Landlord any Rent, through the date of termination of this Lease.

15. DAMAGE OR DESTRUCTION

15.1 Damage or Destruction to the Premises. In the case of damage to or destruction of the Premises by earthquake, fire, flood or any other casualty, which (i) is not caused by Tenant or Tenant's Agents or Tenant's Invitees, (ii) is not covered by the insurance required to be held by Tenant under this Lease, (iii) prevents Tenant from operating the Premises for the purposes stated herein, and (iv) costs more to repair than the Repair amount set forth in the Basic Lease Information, either party may terminate this Lease upon sixty (60) days prior written notice and upon any such termination Tenant shall surrender the Premises in accordance with Article 22 [Surrender] (except, notwithstanding anything in this Lease to the contrary, Tenant shall be required to restore the Premises to a safe condition, clear of debris and garbage, even when Tenant is not required to repair casualty damage). If neither Party terminates this Lease as provided in this Section, then Tenant shall, at its sole cost, promptly restore, repair, replace or rebuild the Premises to the condition the Premises were in before such damage or destruction, to the extent possible in accordance with then applicable Laws. All insurance proceeds

received by Tenant for the repair or rebuilding of the Premises shall be used by Tenant for the repair or rebuilding of the Premises. All restoration performed by Tenant shall be in accordance with the procedures set forth in Article 11 relating to Alterations and shall be at Tenant's sole expense. Under no circumstances shall Landlord have any obligation to repair, replace or rebuild the Premises in the event of a casualty.

15.2 Termination. Upon any termination under Section 15.1, Tenant shall promptly pay or cause to be paid to Landlord such insurance proceeds recoverable by Tenant, if any, relating to the damage or destruction, after first reimbursing any Mortgagee for the outstanding balance of any loan used to fund the cost of constructing the Initial Improvements or Alterations. Upon such termination, the Parties shall be released thereby without further obligations to the other party as of the effective date of such termination subject to payment to Landlord of accrued and unpaid Rent, up to the effective date of such termination; provided, however, that the Indemnification provisions hereof shall survive any such termination with respect to matters arising before the date of any such termination. City's right to receive insurance proceeds under this Lease shall survive the termination or expiration of the Lease.

15.3 No Abatement in Rent. In the event of any damage or destruction to the Premises, and if neither party terminates this Lease as provided in Section 15.1, there shall be no abatement in the Rent payable hereunder.

15.4 Waiver. The Parties understand and agree that the foregoing provisions of this Section are intended to govern fully the rights and obligations of the Parties in the event of damage or destruction to the Premises, or the Initial Improvements, Alterations, or Minor Alterations, and Landlord and Tenant each hereby waives and releases any right to terminate this Lease in whole or in part under Sections 1932.2 and 1933.4 of the Civil Code of California or under any similar Laws now or hereafter in effect, to the extent such rights are inconsistent with the provisions hereof.

16. CONDEMNATION

16.1 Definitions.

(a) "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

(b) "Date of Taking" means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemnor, or (ii) the date on which Tenant is dispossessed.

(c) "Award" means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

(d) “Improvements Pertaining to the Realty” means improvements or fixtures or equipment installed for use on the Premises that cannot be removed without a substantial economic loss or without substantial damage to the property on which it is installed, regardless of the method of installation, but excluding all of Tenant's Personal Property. In determining whether particular property can be removed “without a substantial economic loss,” the value of the property in place considered as part of the realty should be compared with its value if it were removed and sold.

16.2 General. If during the Term or during the period between the execution of this Lease and the Commencement Date, there is any Taking of all or any part of the Premises or any interest in this Lease, the rights and obligations of the parties hereunder shall be determined pursuant to this Section. Landlord and Tenant intend that the provisions hereof govern fully in the event of a Taking and accordingly, the parties each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

16.3 Total Taking; Automatic Termination. If there is a total Taking of the Premises, then this Lease shall terminate as of the Date of Taking.

16.4 Partial Taking; Election to Terminate.

(a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises untenable or unsuitable for continued use by Tenant, or the Taking is of areas that are necessary for Tenant to derive sufficient income to perform its obligations hereunder, and (B) Tenant elects to terminate; or (ii) if there is a partial Taking of a substantial portion of the Premises, then Landlord shall have the right to terminate this Lease in its entirety; provided, however, that this Lease shall not terminate if Tenant agrees to, and does, fully perform all of its obligations hereunder.

(b) Either party electing to terminate under the provisions of this Section shall do so by giving the other party written notice to the other party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth (30th) day after such written notice is given or the Date of Taking.

16.5 Rent; Award. Upon termination of this Lease pursuant to an election under Section 16.4, Landlord shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease and any Improvements Pertaining to the Realty), and Tenant shall have no claim against Landlord for the value of any unexpired term of this Lease, provided that (i) Mortgagee shall be entitled to a portion of the amount, as agreed to by Landlord and Mortgagee or as determined by the applicable court, but not more than the existing debt secured by the

Mortgage, and (ii) Tenant shall receive any Award made specifically to Tenant for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to Tenant's Personal Property.

16.6 Partial Taking; Continuation of Lease. If there is a partial Taking of the Premises under circumstances where this Lease is not terminated in its entirety under Section 16.4, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the parties shall be as follows: (a) any Award shall be payable first to Tenant to be applied to the restoration or repair of the balance of the Premises not taken, to the extent required to render such portion of the Premises tenantable, and (b) Landlord shall be entitled to that portion of the balance of the Award attributable to this Lease or the Premises (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease), and Tenant shall have no claim against Landlord for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to Tenant's Personal Property.

16.7 Temporary Takings. Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this Lease shall remain unaffected thereby, and Tenant shall continue to perform all of the terms, conditions and covenants of this Lease; provided that Tenant shall be relieved from all obligations under this Lease requiring possession of that portion of the Premises so condemned for the period of such temporary Taking. In the event of such temporary Taking, Tenant shall be entitled to receive that portion of any Award representing compensation for the Tenant's use or occupancy of the Premises during the applicable Taking and Landlord shall be entitled to receive that portion of the Award representing compensation for Landlord's use or occupancy of the Premises (if any) during the applicable Taking.

17. TRANSFER - ASSIGNMENT – SUBLEASE

17.1 Assignments. Except as otherwise expressly permitted in Article 14 [Mortgages] or in Section 17.7 [Subleases], Tenant shall not transfer, assign, hypothecate, pledge, encumber, sell (by merger or otherwise), in whole or in part (“Assign”) this Lease or the Premises without Landlord's prior written consent, which consent may be withheld by Landlord in its sole discretion before Completion of the Initial Improvements, and which consent shall not be unreasonably withheld following Completion of the Initial Improvements. Notwithstanding anything to the contrary set forth in this Lease, the Premises shall remain subject to this Lease regardless of any Assignment made at any time or from time to time. Landlord's consent to one Assignment shall not be deemed a consent to subsequent Assignments. Except as set forth in Article 14 [Mortgages], any Assignment made without Landlord's consent shall constitute an Event of Default hereunder and shall be voidable at Landlord's election. Notwithstanding the foregoing, Landlord's consent shall not be required for any: (a) rental or licensing of boat

slips in compliance with Section 6.1 and the Basic Lease Information; (b) leasing or rental by Tenant of equipment in compliance with Section 6.1 and the Basic Lease Information; (c) occupancy of said Premises by an employee or business invitee of Tenant in the ordinary course of Tenant's business; or (d) any change or reorganization of Tenant that does not trigger the need for Landlord consent under Section 17.6.

17.2 No Release. In no event will Landlord's consent to an Assignment be deemed to be a release of Tenant as primary obligor hereunder unless expressly evidenced by Landlord in writing. Landlord's release of Tenant as primary obligor may be given or withheld in Landlord's sole discretion.

17.3 Conditions of Consent. Any Assignment is further subject to the satisfaction of the following conditions precedent, each of which is hereby agreed to be reasonable:

(a) any proposed assignee, by instrument in writing, for itself and its successors and assigns, and expressly for the benefit of Landlord, must expressly assume all of the obligations of Tenant under this Lease, and any other agreements or documents entered into by and between Landlord and Tenant relating to the Premises, and must agree to be subject to all of the conditions and restrictions to which Tenant is subject;

(b) the Assignment is made for a legitimate business purpose and not to deprive Landlord of the benefits of this Lease. It is the intent of this Lease, to the fullest extent permitted by Law and equity and excepting only in the manner and to the extent specifically provided otherwise in this Lease, that no Assignment of this Lease, or any interest therein, however effected or occurring, and whether voluntary or involuntary, by operation of Law or otherwise, foreseen or unforeseen, shall operate, legally or practically, to deprive or limit Landlord of the value of its interest in this Lease, or with respect to any rights or remedies or controls provided in or resulting from this Lease relating to the Premises and the construction of the Initial Improvements that Landlord would have had, had there been no such Assignment;

(c) all instruments and other legal documents involved in effecting the Assignment shall have been submitted to Landlord for review, including the agreement of sale, transfer, or equivalent, and Landlord shall have approved such documents, which approval shall not be unreasonably withheld, delayed or conditioned;

(d) there shall be no Event of Default or Unmatured Event of Default on the part of Tenant under this Lease or any of the other documents or obligations to be assigned to the proposed assignee, nor shall there have been more than one (1) Event of Default during the immediately prior twelve (12) month period;

(e) the proposed assignee (A) has demonstrated to Landlord's reasonable satisfaction that it is reputable and capable, financially and otherwise, of performing each of Tenant's obligations under this Lease and any other documents to be assigned, (B) is not forbidden by applicable Law from transacting business or entering into contracts with

Landlord; (C) is subject to the jurisdiction of the courts of the State of California, (D) is not in default with respect to any obligations that it has to Landlord, and (E) can demonstrate a net worth no less than (i) the Net Worth Floor, if such requested assignment is to be effective before Completion of the Initial Improvements, or (ii) an amount reasonably satisfactory to Landlord if such requested assignment is to be effective from or after Completion of the Initial Improvements.

17.4 Delivery of Executed Assignment. Subject to Article 14 [Mortgages], no Assignment of any interest in this Lease made with Landlord's consent, or as herein otherwise permitted, will be effective unless and until there has been delivered to Landlord, within thirty (30) days after Tenant entered into such Assignment, an executed counterpart of the agreement effecting the Assignment containing an agreement, in recordable form, executed by Tenant and the assignee, wherein and whereby such assignee assumes performance of all of the obligations on Tenant's part to be performed under this Lease, and the other assigned documents to and including the end of the Term (provided, however, that the failure of any assignee to assume this Lease, or to assume one or more of Tenant's obligations under this Lease, will not relieve such assignee from such obligations or limit Landlord's rights or remedies under this Lease or under applicable Law). The form of such instrument of Assignment shall be subject to Landlord's approval, which approval shall not be unreasonably withheld, delayed or conditioned.

17.5 Scope of Prohibitions on Assignment. The prohibitions on Assignments provided in this Section will not be deemed to prevent the granting of Subleases, provided as such subletting is done in accordance with the provisions of this Lease.

17.6 Changes in Tenant. The Parties understand and agree that the personal qualifications of the persons controlling Tenant are a part of the consideration for granting this Lease. Such persons do hereby specifically agree, except as prohibited as a result of death or disability, to maintain active control and supervision of the operations conducted on the Premises. The merger of Tenant with any other entity or the transfer of any controlling ownership interest in Tenant, or the assignment or transfer of a substantial portion of the assets of Tenant, whether or not located on the Premises, shall constitute an Assignment. Without limiting the generality of the foregoing, if Tenant is a partnership, a withdrawal or change, voluntary, involuntary or by operation of Law of the partner or partners owning more than forty-nine percent (49%) or more of the partnership, or the dissolution of the partnership, shall be deemed an Assignment. If Tenant is a corporation or limited liability company, any dissolution, merger, consolidation or other reorganization of Tenant, or the sale or other transfer of a controlling percentage of the capital stock or membership interests of Tenant, or the sale of more than forty nine percent (49%) of the value of the assets of Tenant, shall be deemed an Assignment. The phrase "controlling percentage" means the ownership of, and the right to vote, stock or interests possessing at least forty nine percent (49%) of the total combined voting power of all classes of Tenant's capital stock or interests issued, outstanding and entitled to vote for the election of directors. Tenant must promptly notify Landlord of any and all changes that could trigger an Assignment under this Section, and the percentages set forth above shall be calculated

cumulatively (i.e., Tenant cannot avoid a trigger by transferring interests in a serial manner over time). At such time or times as Landlord may reasonably request, Tenant must furnish Landlord with a statement, certified as true and correct by an officer of Tenant, setting forth all of the constituent members of Tenant and the extent of their respective holdings, any transfers of membership interests, and in the event any other Persons have a beneficial interest in Tenant, their names and the extent of such interest. Tenant's furnishing of such information, however, will not relieve Tenant from liability for its failure to comply with the provisions of this Lease. Any Assignments resulting from a change in Tenant as provided in this subsection shall be subject to Landlord's prior written consent, which consent may be withheld by Landlord in its sole discretion before Completion of the Initial Improvements, and which consent shall not be unreasonably withheld following Completion of the Initial Improvements. The members of Tenant and their controlling interests as of the Effective Date are set forth in **Exhibit O**.

17.7 Subleases. Tenant will not sublease all or part of the Premises without the prior written consent of the Authority Director. The Authority Director's consent to a proposed sublease may be subject to reasonable conditions, which conditions may include, without limitation, that: (a) the proposed uses are consistent with this Lease; (b) the proposed sublease is consistent with and expressly subject and subordinate to, all the terms and provisions of this Lease and incorporates all necessary provisions of this Lease, (c) the proposed subtenant demonstrates, to Authority Director's reasonable satisfaction, that it has the financial ability and otherwise is capable of fulfilling all of its obligations under the sublease; (d) the term of the sublease does not extend beyond the term of this Lease, and requires the subtenant to leave the Premises, without payment, upon any termination of this Lease; (e) there exists no default by Tenant under this Lease; (f) the proposed subtenant indemnifies Landlord and the City for any Losses arising in connection with the sublease in form reasonably satisfactory to Landlord; (g) Tenant remains liable under this Lease; (h) the proposed subtenant provides liability and other insurance reasonably requested by Landlord, naming Landlord and the City as an additional insured, in form and amounts reasonably approved by Landlord; (i) contains rental rates that are not below fair market rental rates, as reasonably determined by Landlord if the sublease (1) is not pursuant to a bona fide arm's-length transaction as reasonably determined by Landlord based upon information reasonably requested and obtained by City; or (2) is with an related entity or affiliate of Tenant; or (3) is with a proposed subtenant having an existing relationship with Tenant; and (j) if the proposed subtenant intends to use the Premises for any purpose not directly related to marina and boating uses, including without limitation food and beverage, then Landlord can condition its consent to such proposed subtenant on receiving from Tenant, after negotiation with City, a concession-like rent for those areas.

17.8 Tenant to Pay Costs. If Tenant requests Landlord's consent to an Assignment or Sublease, hereinafter referred to as a "transaction," Tenant shall reimburse Landlord for all Landlord's reasonable costs and expenses actually incurred that are associated with the transaction. Said costs shall include reasonable legal fees and disbursements relating to or arising out of any such transaction, regardless of whether such transaction is consummated.

17.9 Proposed Transferee. In connection with the Landlord's consideration of any request for its consent to an Assignment or Sublease, Landlord may consider the financial condition of the proposed assignee ("Proposed Transferee"), the Proposed Transferee's experience in the operation and management of the property of the type subject to this Lease and the character and reputation of the Proposed Transferee. In connection with the foregoing, at such time as the Tenant shall request Landlord's consent, Tenant shall provide Landlord with appropriate financial statements, including balance sheets and profit and loss statements, demonstrating the Proposed Transferee's financial condition for the preceding three (3) years. In addition, the Tenant shall provide Landlord with such additional information as may be reasonably requested by Landlord to determine the character and reputation of the Proposed Transferee, as well as the Proposed Transferee's experience in the operation and maintenance of property similar to the Premises.

17.10 Additional Considerations. The following standards are to apply to proposed transactions requiring Landlord's consent under this Article 17, and shall be considered by Landlord in determining whether to give consent. These standards and conditions are not to apply to (i) a Mortgagee, or (ii) the transfer of the leasehold in connection with a foreclosure or transfer in lieu of foreclosure of a Mortgage, but will apply to the first transfer by that party after it acquires the leasehold through a foreclosure or a transfer in lieu of foreclosure and any subsequent transfers.

(a) The Proposed Transferee must have a net worth determined to be sufficient in relation to the financial obligations of the Tenant under the Lease (equal to at least three (3) times the total Minimum Base Rent due to Landlord for the most recent fiscal year). A letter of credit, cash deposit, guarantee from a parent entity or participating individual(s) having sufficient net worth or similar security satisfactory to the Landlord may be substituted for the net worth requirement. If the Proposed Transferee's net worth is materially less than the transferor's, Landlord may disapprove the assignment or require additional security such as that described in the previous sentence.

(b) The Proposed Transferee must have significant experience in the construction (if contemplated), operation and management of the type of improvements existing on or to be constructed on the Premises, or provide evidence of contractual arrangements for these services with providers of such services reasonably satisfactory to the Landlord. Changes in the providers of such services and changes to the contractual arrangements must be approved by Landlord.

(c) The individual or individuals who will acquire Tenant's interest in this Lease or the Premises, or own the entity that will so acquire Tenant's interest, irrespective of the tier at which individual ownership is held, must be of good character and reputation and, in any event, shall have neither a history of, nor a reputation for: (1) discriminatory employment practices which violate any federal, state or local law; or (2) non-compliance with Hazardous Materials Laws, or any other legal requirements or formally adopted ordinances or policies of Landlord.

(d) The price to be paid in connection with the transaction shall not result in a financing obligation which jeopardizes the Proposed Transferee's ability to meet its rental obligations under the Lease. Market debt service coverage ratios and leasehold financial performance, at the time of the proposed transfer, will be used by Landlord in making this analysis.

(e) If the Proposed Transferee is an entity, rather than an individual, the structure of the proposed transferee must be such that (or the assignee must agree that) the Landlord will have reasonable approval rights regarding any future direct or indirect transfers of interests in the entity or the Lease as required or contemplated under this Lease (excluding any excluded transfer); provided however, that a transfer of ownership of a publicly held parent corporation of Tenant that is not done primarily as a transfer of this leasehold will not be subject to Landlord approval.

(f) The terms of the proposed assignment will not detrimentally affect the efficient operation or management of the leasehold, the Premises or any improvements thereon.

17.11 No Landlord Consent Required. Notwithstanding anything to the contrary contained in this Article 17, the following shall not be considered a transaction requiring Landlord's consent:

(a) A transfer to a spouse in connection with a property settlement agreement or decree of dissolution of marriage or legal separation, or a transfer by a member directly to a spouse, sibling or descendant;

(b) A transfer to a living trust, where the beneficiaries of the trust are limited to the transferor and the transferor's spouse and descendants, together with the subsequent transfer to such beneficiaries;

(c) A mere change in the form of Tenant, or the ownership of interests in Tenant that does not exceed a fifty percent (50%) or more of the Tenant's interest in that entity;

(d) In the event of the death of any natural person who owns a beneficial interest in Tenant, a transfer to any descendent or any trust for such descendent, by way of gift, devise, intestate succession or operation of law; provided, however, that Landlord shall have the right to approve the person or management company proposed to manage the Premises following

such a transfer.

18. DEFAULTS AND REMEDIES

18.1 Tenant Defaults. The occurrence of any one (1) or more of the following events shall constitute an event of default (each, an “Event of Default”) by Tenant:

(a) Tenant abandons the Premises within the meaning of California Civil Code Section 1951.3 (or its successor), which abandonment is not cured within fifteen (15) days after notice of belief of abandonment or vacation from City;

(b) Failure by Tenant to pay, when due, any Rent or other amounts due hereunder, where such failure continues for a period of ten (10) days after written notice from Landlord; provided (i) Landlord shall not be required to give such notice more than three (3) times during any calendar year, and failure to pay Rent or other amounts when due thereafter shall be an immediate default without need for further notice, and (ii) any notice provided in this Section shall be in lieu of, and not in addition to, any notice required under Section 1161 of the California Code of Civil Procedure;

(c) Tenant violates any other covenant, or fails to perform any other obligation to be performed by Tenant under this Lease at the time such performance is due, and such violation or failure continues without cure for more than thirty (30) days after written notice from Authority specifying the nature of such violation or failure, or, if such cure cannot reasonably be completed within such thirty (30)-day period, if Tenant does not within such thirty (30)-day period commence such cure, or having so commenced, does not diligently prosecute such cure to completion within a reasonable time thereafter;

(d) Subject to any restrictions or limitations placed on Landlord by applicable laws governing bankruptcy, Tenant’s: (a) applying for, consenting to, or suffering the appointment of a receiver, trustee, or liquidation of all or a substantial portion of its assets; (b) making a general assignment for the benefit of creditors; (c) admitting in writing its inability to pay its debts or its willingness to be adjudged a bankrupt; (d) becoming unable to, or failing to, pay its debts as they mature; (e) being adjudged a bankrupt; (f) filing a voluntary petition or suffering an involuntary petition under any bankruptcy, arrangement, reorganization, or insolvency law (unless in the case of an involuntary petition, the same is dismissed within thirty (30) days of such filing); (g) convening a meeting of its creditors, or any class thereof, for purposes of effecting a moratorium, extension, or composition of its debts; or (h) suffering, or permitting to continue unstayed and in effect for ten (10) consecutive days, any attachment, levy, execution, or seizure of all or a substantial portion of Tenant’s assets or of Tenant’s interest in this Lease;

(e) A writ of execution is levied on the leasehold estate which is not released within sixty (60) days, or a receiver, trustee or custodian is appointed to take custody of all or any material part of the property of Tenant, which appointment is not dismissed within one hundred

sixty (60) days;

(f) Tenant fails to maintain any insurance required to be maintained by Tenant under this Lease, which failure continues without cure for ten (10) days after written notice from Authority of such failure;

(g) Tenant suffers or permits an Assignment, Sublease or other transfer of this Lease or any interest therein to occur in violation of this Lease, which event is not cured by Tenant within thirty (30) days after written demand by Authority by an effective rescission of the Assignment, Sublease or transfer or through Authority's consent; or

(h) Tenant engages in or allows any use not permitted hereunder which event is not cured by Tenant within ten (10) days after written demand by Authority, or, if such cure cannot reasonably be completed within such ten (10)-day period, if Tenant does not within such ten (10)-day period commence such cure, and having so commenced, does not diligently prosecute such cure to completion within a reasonable time thereafter and in all events within sixty (60) days.

18.2 Landlord's Remedies Generally. Upon the occurrence and during the continuance of an Event of Default under this Lease, Landlord shall have all rights and remedies provided in this Lease or available at law or equity that are not otherwise specifically waived or limited pursuant to the terms of this Lease. All of Landlord's rights and remedies granted pursuant to this Lease shall be cumulative, and except as may be otherwise provided by applicable Law or specifically limited pursuant to this Lease, the exercise of any one or more rights shall not preclude the exercise of any others.

18.3 Right to Keep Lease in Effect.

(a) Continuation of Lease. Upon the occurrence of an Event of Default hereunder, Landlord may continue this Lease in full force and effect pursuant to Civil Code Section 1951.4.

(b) No Termination. No act by Landlord allowed by this Article 18, nor any appointment of a receiver upon Landlord's initiative to protect its interest under this Lease, nor any withholding of consent to a subletting or assignment or termination of a subletting or assignment in accordance herewith, shall terminate this Lease, unless and until Landlord notifies Tenant in writing that Landlord elects to terminate this Lease.

(c) Application of Proceeds of Reletting. In the event of any such subletting, rents received by Landlord from such subletting shall be applied (i) first, to the payment of the costs of maintaining, preserving, altering and preparing the Premises for subletting, the other costs of subletting, including but not limited to brokers' commissions, Attorneys' Fees and Costs, and expenses of removal of Tenant's Personal Property, trade fixtures and alterations; (ii) second, to the payment of Rent then due and payable hereunder; (iii) third, to the payment of future Rent as the same may become due and payable hereunder; and (iv) fourth, the balance, if any, shall be paid to Tenant upon (but not before) expiration of the term of this Lease. If the rents received by Landlord from such subletting, after application as provided above, are insufficient

in any month to pay the rent due and payable hereunder for such month, Tenant shall pay such deficiency to Landlord monthly upon demand. Notwithstanding any such subletting for Tenant's account without termination, Landlord may at any time thereafter, by written notice to Tenant, elect to terminate this Lease by virtue of a previous Event of Default.

18.4 Right to Perform Tenant's Covenants. Landlord may cure the Event of Default at Tenant's expense, it being understood that such performance shall not waive or cure the subject Event of Default. If Landlord pays any sum or incurs any expense in curing the Event of Default, Tenant shall reimburse Landlord upon demand for the amount of such payment or expense with interest at the Interest Rate from the date the sum is paid or the expense is incurred until Landlord is reimbursed by Tenant. Any amount due Landlord under this subsection shall constitute additional rent hereunder. Without limiting any other provision of this Lease, and in addition to any other rights or remedies available to Landlord under this Lease, if at any time Tenant fails to pay any sums required to be paid by Tenant pursuant to this Lease to any person other than Landlord, or if Tenant fails to perform any obligation on Tenant's part to be performed under this Lease, which failure continues without cure following any applicable cure period specified above, then Landlord may, at its sole option, but shall not be obligated to, pay such sum or perform such obligation for and on behalf of Tenant.

18.5 Right to Terminate Lease.

(a) Damages. Landlord may terminate this Lease at any time after the occurrence (and during the continuation) of an Event of a Default by giving written notice of such termination. Termination of this Lease shall thereafter occur on the date set forth in such notice. Acts of maintenance or preservation, and any appointment of a receiver upon Landlord's initiative to protect its interest hereunder shall not in any such instance constitute a termination of Tenant's right to possession. No act by Landlord other than giving notice of termination to Tenant in writing shall terminate this Lease. On termination of this Lease, Landlord shall have the right to recover from Tenant all sums allowed under California Civil Code Section 1951.2, including, without limitation, the following: (i) the worth at the time of the award of the unpaid Rent which had been earned at the time of termination of this Lease; (ii) the worth at the time of the award of the amount by which the unpaid Rent which would have been earned after the date of termination of this Lease until the time of the award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; (iii) the worth at the time of the award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could have been reasonably avoided; and (iv) any other amount necessary to compensate Landlord for all detriment proximately caused by the default of Tenant, or which in the ordinary course of things would be likely to result therefrom. "The worth at the time of the award" shall be computed by allowing interest at a rate per annum equal to the Default Rate; provided, however, for purposes of subclause (iii) above only, "the worth at the time of the award" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus one percent (1%).

(b) Interest. Rent not paid within twenty (20) days following written demand for payment of such Rent shall bear interest from the date due until paid at the Default Rate.

(c) **Waiver of Rights to Recover Possession.** If Landlord terminates Tenant's right to possession of the Premises, and if such termination is contested by Tenant and Landlord successfully prevails, and in any appeal thereof, Tenant hereby waives any rights to recover or regain possession of the Premises under any rights of redemption to which it may be entitled by or under any present or future Law, including, without limitation, California Code of Civil Procedure Sections 1174 and 1179 or any successor provisions.

(d) **No Rights to Transfer or Sublet.** Upon the occurrence and continuation of an Event of Default, Tenant shall have no right to Assign or Sublease the Premises in whole or in part or to enter into any Event Permits without Landlord's written consent, which may be given or withheld in Landlord's sole and absolute discretion.

18.6 Equitable Relief. In addition to the other remedies provided in this Lease, Landlord shall be entitled at any time after a default or threatened default by Tenant to seek injunctive relief, an order for specific performance, or any other equitable relief, where appropriate to the circumstances of such default.

18.7 Continuation of Subleases and Agreements. If this Lease is terminated before the expiration date, and subject to any non disturbance agreements entered into by Landlord pursuant to the terms of this Agreement, Landlord shall have the right, at its sole option, but not the obligation, to assume any and all agreements by Tenant for the use or maintenance or operation of the Premises, including any Subleases. Landlord may, at its option, require Tenant to terminate any such agreements and take appropriate action to deliver the Premises to Landlord free of such agreements or obligations. Tenant hereby further covenants that, upon request of Landlord following an Event of Default and termination of Tenant's s interest in this Lease, Tenant shall execute, acknowledge and deliver to Landlord such further instruments as may be necessary or desirable to vest or confirm the continuation or the termination of such or agreements, as above specified.

18.8 Waiver of Notice. Tenant hereby expressly waives, so far as permitted by Law, the service of any notice of intention to enter or re-enter provided for in any statute, or of the institution of legal proceedings to that end, and Tenant, for and on behalf of itself and all persons claiming through or under Tenant, also waives any right of redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 or 1179, or under any other present or future Law, if Tenant is evicted or Landlord takes possession of the Premises by reason of any default by Tenant hereunder.

18.9 No Accord or Satisfaction. No submission by Tenant or acceptance by Landlord of full or partial Rent or other sums during the continuance of any failure by Tenant to perform its obligations hereunder shall waive any of Landlord's rights or remedies hereunder or constitute an accord or satisfaction, whether or not Landlord had knowledge of any such failure. No endorsement or statement on any check or remittance by or for Tenant or in any communication accompanying or relating to such payment shall operate as a compromise or accord or satisfaction unless the same is approved as such in writing by Landlord. Landlord may accept such check, remittance or payment and retain the proceeds thereof, without prejudice to its rights to recover the balance of any Rent, including any and all Additional Rent, due from Tenant and to pursue any right or remedy provided for or permitted under this

Lease or in Law or at equity. No payment by Tenant of any amount claimed by Landlord to be due as Rent hereunder (including any amount claimed to be due as Additional Rent) shall be deemed to waive any claim which Tenant may be entitled to assert with regard to the making of such payment or the amount thereof, and all such payments shall be without prejudice to any rights Tenant may have with respect thereto, whether or not such payment is identified as having been made “under protest” (or words of similar import).

18.10 Default by Landlord. Landlord shall be deemed to be in default hereunder only if Landlord fails to perform or comply with any material obligation on its part hereunder and (i) such failure shall continue for more than the time of any cure period provided herein, or, (ii) if no cure period is provided herein, for more than sixty (60) days after written notice thereof from Tenant, or, (iii) if such default cannot reasonably be cured within such applicable cure period, subject to Force Majeure, Landlord shall not within such period commence the cure of such default, or, having so commenced, shall thereafter fail to diligently prosecute such cure. Upon the occurrence of default by Landlord as described above, which default substantially and materially interferes with Tenant’s use of the Premises, Tenant shall have the exclusive right (a) to offset or deduct only from the Rent becoming due hereunder, the amount of actual damages incurred by Tenant as a direct result of Landlord’s default, but only after obtaining a judgment in a court of competent jurisdiction for such damages, or (b) to seek equitable relief in accordance with applicable Laws; provided, however, (i) in no event shall Tenant be entitled to offset from all or any portion of the Rent becoming due hereunder or to otherwise recover or obtain from Landlord or its Agents any damages (including, without limitation, any consequential, incidental, punitive or other damages proximately arising out of a default by Landlord hereunder) or Losses other than Tenant’s actual damages as described in the foregoing clause (a), and (ii) Tenant agrees that, notwithstanding anything to the contrary herein or pursuant to any applicable Laws, Tenant’s remedies hereunder shall constitute Tenant’s sole and absolute right and remedy for a default by Landlord hereunder.

19. RELEASE AND WAIVER OF CLAIMS; INDEMNIFICATION

19.1 Release and Waiver of Claims. Except for the United States Navy’s continuing indemnity obligations under Section 330 of Public Law 102-484, as amended, and other ongoing Navy CERCLA and other hazardous remediation obligations, Tenant, on behalf of itself and Tenant’s Agents, covenants and agrees that the Indemnified Parties shall not be responsible for or liable to Tenant for, and, to the fullest extent allowed by any Laws, Tenant hereby waives all rights against the Indemnified Parties and releases them from, any and all Losses, including, but not limited to, incidental and consequential damages, relating to any injury, accident or death of any person or loss or damage to any property, in or about the Premises, from any cause whatsoever, including without limitation, partial or complete collapse of the Premises due to an earthquake or subsidence, except this release and waiver does not apply to such Losses that are caused solely by the gross negligence or willful misconduct of the Indemnified Parties. Without limiting the generality of the foregoing:

- (a) Tenant expressly acknowledges and agrees that the Rent payable hereunder

does not take into account any potential liability of the Indemnified Parties for any consequential or incidental damages including, but not limited to, lost profits arising out of disruption to Tenant's uses hereunder. Landlord would not be willing to enter into this Lease in the absence of a complete waiver of liability for consequential or incidental damages due to the acts or omissions of the Indemnified Parties, and Tenant expressly assumes the risk with respect thereto. Accordingly, without limiting any indemnification obligations of Tenant or other waivers contained in this Lease and as a material part of the consideration for this Lease, Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action for consequential and incidental damages and covenants not to sue the Indemnified Parties for such damages arising out of this Lease or the uses authorized hereunder, including, without limitation, any interference with uses conducted by Tenant pursuant to this Lease regardless of the cause.

(b) Without limiting any indemnification obligations of Tenant or other waivers contained in this Lease and as a material part of the consideration for this Lease, Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against, and covenants not to sue the Indemnified Parties under any present or future Laws, statutes, or regulations, including, but not limited to, any claim for inverse condemnation or the payment of just compensation under the law of eminent domain, or otherwise at equity, in the event that Landlord terminates this Lease because of such claim for inverse condemnation or eminent domain.

(c) As part of Tenant's agreement to accept the Premises in its "As Is" condition as provided herein, and without limiting such agreement and any other waiver contained herein, Tenant on behalf of itself and its successors and assigns, waives its right to recover from, and forever RELEASES, WAIVES AND DISCHARGES, the Indemnified Parties from any and all Losses, whether direct or indirect, known or unknown, foreseen and unforeseen, that may arise on account of or in any way be connected with the physical or environmental condition of the Premises and any related improvements or any Laws or regulations applicable thereto or the suitability of the Premises for Tenant's intended use.

(d) Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated, and Tenant fully RELEASES, WAIVES AND DISCHARGES the Indemnified Parties from any and all Losses and any and all claims, demands or rights against any of the Indemnified Parties under any present and future Laws, including, without limitation, any and all claims for relocation benefits or assistance from the Indemnified Parties under federal and state relocation assistance laws.

(e) Without limiting any other waiver contained herein, Tenant, on behalf of itself and its successors and assigns, hereby waives its right to recover from, and forever RELEASES, WAIVES AND DISCHARGES, the Indemnified Parties from any and all Losses, whether direct or indirect, known or unknown, foreseen and unforeseen, that may arise on account of or in any way connected with the Indemnified Parties' decision to Lease the Premises to Tenant, regardless of whether or not such decision is or may be determined to be

an act of gross negligence or willful misconduct of the Indemnified Parties.

(f) Tenant covenants and agrees never to file, commence, prosecute or cause to be filed, commenced or prosecuted against the Indemnified Parties any claim, action or proceeding based upon any claims, demands, causes of action, obligations, damages, losses, costs, expenses or liabilities of any nature whatsoever encompassed by the waivers and releases set forth in this Lease.

(g) In executing these waivers and releases, Tenant has not relied upon any representation or statement other than as expressly set forth herein, and has consulted with its own counsel.

(h) Tenant had made such investigation of the facts pertaining to these waivers and releases as it deems necessary and assumes the risk of mistake with respect to such facts. These waivers and releases are intended to be final and binding on Tenant regardless of any claims of mistake.

(i) In connection with the foregoing releases, Tenant acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Tenant acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Tenant realizes and acknowledges that it has agreed upon this Lease in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The waivers and releases contained herein shall survive any termination of this Lease.

19.2 Tenant's Indemnity. Except for the Navy's ongoing indemnity obligations under Section 330 of Public Law 102-484, as amended, or its other continuing CERCLA and other hazardous remediation obligations, Tenant, on behalf of itself and Tenant's Agents, shall Indemnify the Indemnified Parties from and against any and all Losses arising out of Tenant's use of the Premises, including but not limited to, any Losses arising directly or indirectly, in whole or in part, out of: (a) any damage to or destruction of any property owned by or in the custody of Tenant or Tenant's Agents or Tenant's Invitees; (b) any accident, injury to or death of a person, including, without limitation, Tenant's Agents and Tenant's Invitees, howsoever or by whomsoever caused, occurring in, on or about the Premises; (c) any default by Tenant in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Tenant's part; (d) the use, occupancy, conduct or management, or manner of use, occupancy, conduct or management by Tenant, Tenant's Agents or Tenant's

Invitees or any person or entity claiming through or under any of them, of the Premises; (e) any matter relating to the condition of the Premises caused by Tenant or any of its Assignees, Subtenants, Agents or Invitees; (f) any construction or other work undertaken by Tenant on or about the Premises, or the performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof by Tenant or any of its Assignees, Subtenants, Agents or Invitees; (g) any legal actions or suits initiated by any user or occupant of the Premises; and (h) any acts, omissions or negligence of Tenant, Tenant's Agents or Tenant's Invitees, in, on, or about the Premises or any Alterations; except to the extent that such Indemnity is void or otherwise unenforceable under any applicable Laws in effect on or validly retroactive to the date of this Lease and further except only to the extent such Losses are caused solely by the gross negligence or intentional wrongful acts and omissions of the Landlord, the City, or their respective Agents. The foregoing Indemnity shall include, without limitation, Attorneys Fees and Costs. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend Landlord and the other Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by Landlord and continues at all times thereafter. Tenant's obligations under this Section shall survive the expiration or sooner termination of this Lease. The insurance requirements and other provisions of this Lease shall not limit Tenant's indemnification obligations under this Lease.

19.3 Defense. Tenant shall, at its option but subject to the reasonable consent and approval of Landlord, be entitled to control the defense, compromise, or settlement of any indemnified matter through counsel of the Tenant's own choice (so long as such counsel is reasonably satisfactory to Landlord); provided, however, in all cases Landlord shall be entitled to participate in such defense, compromise, or settlement at its own expense. If Tenant shall fail, however, in Landlord's reasonable judgment, within a reasonable time following notice from Landlord alleging and describing in reasonable detail the nature of such failure, to take reasonable and appropriate action to defend such suit or claim, Landlord shall have the right promptly to use the San Francisco City Attorney or to hire outside counsel to carry out such defense, at Tenant's sole expense, which expense shall be due and payable to Landlord within thirty (30) days after receipt by the Tenant of an invoice therefore.

(l) Other Insurance. Tenant shall obtain such other insurance, or increase the insurance coverage amounts, as may be reasonably requested by City's Risk Manager and is reasonably customary for similar property or uses in the San Francisco Bay Area.

20.2 General Requirements. All insurance provided for under this Agreement shall be effected under valid enforceable policies issued by insurers with ratings comparable to A-, VIII or higher that are authorized to do business in the State of California.

(a) Claims Made Form. Should any of the required insurance be provided under a claims made form, Tenant shall maintain such coverage continuously throughout the Term and, without lapse, for a period of five (5) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the Term give rise to claims made

during the one year period after expiration or termination of this Agreement, such claims shall be covered by such claims made policies.

(b) Endorsements. All insurance policies shall be endorsed to provide the following:

(i) The Authority and the City shall be named as an additional named insured and loss payee on liability and property coverages as its interest may appear, if necessary. Tenant shall be first named insured. All liability insurance policies required to be maintained by Tenant hereunder shall contain a cross-liability clause, shall name as additional insureds the "THE TREASURE ISLAND DEVELOPMENT AUTHORITY, CITY AND COUNTY OF SAN FRANCISCO, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS," shall be primary to any other insurance available to the additional insureds with respect to claims arising under this Lease, and shall provide that such insurance applies separately to each insured against whom complaint is made or suit is brought except with respect to the limits of the company's liability.

(ii) Any other insurance carried by the Authority, which may be applicable, shall be deemed excess insurance and Tenant's insurance shall be deemed primary for all purposes. Tenant's policies shall also provide for severability of interest provisions.

(iii) Tenant shall give thirty (30) days' prior written notice of cancellation, non-renewal or material change in coverage to Landlord. Ten (10) days' prior written notice will be acceptable for notice of non-payment.

(c) On or before the Commencement Date, Tenant shall deliver to Landlord certificates of insurance and additional insured policy endorsements in form and with insurers satisfactory to Landlord, evidencing the coverages required hereunder, and Tenant shall provide Landlord with certificates thereafter at least ten (10) days before the expiration dates of expiring policies. In the event Tenant shall fail to procure such insurance, or deliver such certificates, Landlord may, at its option, after providing five (5) days' prior written notice of the Landlord's intention to do so, procure the same for the account of Tenant and the cost thereof shall be paid to Landlord within five (5) days after delivery to Tenant of an invoice for such cost. Tenant shall, upon Landlord's request, promptly furnish Landlord with a complete copy of any insurance policy required hereunder.

20.3 No Limitation on Indemnities. Tenant's compliance with the provisions of this Article 20 shall in no way relieve or decrease Tenant's indemnification obligations herein or any of Tenant's other obligations or liabilities under this Agreement.

20.4. Tenant's Personal Property. Tenant shall be responsible, at its expense, for separately insuring Tenant's Personal Property.

20.5 Landlord Entitled to Participate. Landlord shall be entitled to participate in and

consent to any settlement, compromise or agreement with respect to any claim for any loss in excess of Fifty Thousand and No/100 Dollars (\$50,000.00) covered by the insurance required to be carried hereunder, but only to the extent that its interest may appear; provided, however, that Landlord's consent shall not be unreasonably withheld.

20.6 Insurance of Others. If Tenant requires liability insurance policies to be maintained by Subtenants, contractors, subcontractors or others in connection with their use or occupancy of, or their activities on, the Premises, Tenant shall require that such policies name Tenant and Landlord and City as additional insureds. Notwithstanding the foregoing, Tenant shall require all contractors and sub-contractors performing work in, on, under, around, or about the Premises and all operators and Subtenants of any portion of the Premises to carry the insurance coverages required by the respective construction contract, sublease, or other agreement governing such party's activities that was approved by Landlord, if applicable.

20.7 Landlord's Self Insurance. Tenant acknowledges that Landlord self-insures against casualty, property damage and public liability risks and agrees that Landlord may at its sole election, but shall not be required to, carry any third party insurance with respect to the Premises.

20.8 Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, the Landlord and Tenant (each a "Waiving Party") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Premises, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Agreement or is actually covered by insurance obtained by a Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

21. ACCESS BY LANDLORD

21.1 Access to Premises by Landlord.

(a) General Access. Landlord reserves for itself and Landlord's Agents, the right to enter the Premises and any portion thereof at all reasonable times upon not less than twenty-four (24) hours oral or written notice to Tenant (except in the event of an emergency) for any purpose. In addition, Landlord covenants and agrees that it will use good faith efforts to require that the Master Developer coordinate and cooperate with Tenant regarding Master Developer's access to the Premises or to the landside adjacent to the Premises so as to (i) provide notice to Tenant of Master Developer's development and construction activities and (ii) to minimize adverse impacts to Tenant's operations.

(b) Emergency Access. In the event of any emergency, as determined by Landlord, Landlord may, at its sole option and without notice, enter the Premises and alter or remove any

improvements or Tenant's Personal Property on or about the Premises that impede Landlord's ability to respond to such emergency. Landlord shall have the right to use any and all means Landlord considers appropriate to gain access to any portion of the Premises in an emergency. In such case, Landlord shall be responsible for any damage or injury to the extent required by applicable Law. Any such emergency entry shall not be deemed to be a forcible or unlawful entry onto or a detainer of, the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

(c) Landlord Reservation. Notwithstanding anything to the contrary in this Lease, Landlord reserves and retains the right to grant future easements, permits and rights of way over, across, under, in and upon the Premises as Landlord shall determine to be in the public interest, including for the installation, operation, maintenance, and repair of equipment for cellular telephone, radio or other telecommunications services, provided that any such easement, permit or right-of-way shall be conditioned upon the grantee's assumption of liability to Tenant for damage to its property that Tenant may sustain hereunder as a result of the grantee's use of such easement, permit or right of way, and provided further that any such easement, permit or right-of-way shall not materially interfere with Tenant's use of the Premises.

(d) Master Developer Access for Improvements. Tenant shall provide reasonable access in, on, under and across the Premises to Landlord, Master Developer and their respective Agents, including unimpaired access to the shoreline, for the DDA Work, provided that Landlord or Master Developer have (i) provided Tenant with at least forty-eight (48) hours advance written notice; (ii) minimize adverse impacts to Tenant's operations to the extent possible consistent with the DDA Work; and (iii) conduct their activities thereon in a manner that does not unreasonably interfere with Tenant's use of the Premises and its conduct of business thereat. Tenant shall reasonably cooperate and coordinate its construction and all other related activities with the construction and related activities of Landlord and Master Developer and their respective Agents. Landlord and Master Developer shall access the Premises and conduct their activities thereon in a manner that does not unreasonably interfere with Tenant's use of the Premises.

(e) No Liability. Landlord shall not be liable in any manner, and Tenant hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance or other damage arising out of Landlord's entry onto the Premises, except damage resulting directly and exclusively from the gross negligence or willful misconduct of Landlord or Landlord's Agents and not contributed to by the acts, omissions or negligence of Tenant, Tenant's Agents or Tenant's Invitees.

22. SURRENDER

22.1 Condition of Premises. Upon the expiration or other termination of this Lease, Tenant shall quit and surrender to Landlord the Premises, with the Initial Improvements and all Alterations, in good order and condition, free and clear of all liens, but with reasonable wear

and tear (consistent with Tenant's maintenance obligations under this Lease), casualty and condemnation, if applicable, excepted. Tenant hereby agrees to execute all documents as Landlord may deem necessary to evidence or confirm any such other termination. Upon expiration or termination of this Lease, Tenant and its Agents shall have the right to remove their respective Personal Property, but any damage to the Premises or the Initial Improvements or Alterations that is caused by their removal shall be repaired at Tenant's expense. Tenant shall also remove, at no cost to City, any Personal Property belonging to Tenant that remains on the Premises. In connection with any removal, Tenant shall obtain any and all necessary permits and approvals. Tenant's obligations under this Section shall survive the termination of this Lease. Any items of Tenant's Personal Property remaining on or about the Premises after the termination of this Lease may, at Landlord's option and after thirty (30) days written notice to Tenant, be deemed abandoned and in such case Landlord may dispose of such property in accordance with Section 1980, et seq., of the California Civil Code or in any other manner allowed by Law.

22.2 Termination of Subleases. Upon the expiration or any termination of this Lease, any and all Subleases or other rights of parties acting by and through Tenant shall terminate without further action unless Landlord takes an action to assume the agreements as set forth in Section 18.7.

22.3 No Holding Over. If Tenant fails to surrender the Premises to Landlord as required by this Section, Tenant shall Indemnify Landlord against all Losses resulting therefrom, including, without limitation, Losses made by a succeeding Tenant resulting from Tenant's failure to surrender the Premises. Tenant shall have no right to hold over without the prior written consent of Landlord, which consent may be withheld in Landlord's sole and absolute discretion. If Tenant holds over the Premises or any part thereof after expiration or earlier termination of this Lease, such holding over shall be terminable upon written notice by Landlord, and the Minimum Base Rent shall be increased to two hundred percent (200%) of the Minimum Base Rent in effect immediately before such holding over, and such holdover shall otherwise be on all the other terms and conditions of this Lease. This Section shall not be construed as Landlord's permission for Tenant to hold over. Acceptance of any holdover Base Rent by Landlord following expiration or termination of this Lease shall not constitute an extension or renewal of this Lease.

22.4 Security Deposit. Tenant shall pay to Landlord upon execution of this Lease a security deposit in the amount set forth in the Basic Lease Information as security for the faithful performance of all terms, covenants and conditions of this Lease. The security deposit shall be increased on each Adjustment Date to equal the then-applicable Minimum Base Rent. Tenant agrees that Landlord may (but shall not be required to) apply the security deposit in whole or in part to remedy any damage to the Premises caused by Tenant, Tenant's Agents or Tenant's Invitees, or any failure of Tenant to perform any other terms, covenants or conditions contained in this Lease, without waiving any of Landlord's other rights and remedies hereunder or at Law or in equity. Should Landlord use any portion of the security deposit to cure any Event of Default by Tenant hereunder, Tenant shall immediately replenish the security deposit

to the original amount, and Tenant's failure to do so within five (5) days of Landlord's notice shall constitute a material Event of Default under this Lease. Landlord's obligations with respect to the security deposit are solely that of debtor and not trustee. Landlord shall not be required to keep the security deposit separate from its general funds, and Tenant shall not be entitled to any interest on such deposit. The amount of the security deposit shall not be deemed to limit Tenant's liability for the performance of any of its obligations under this Lease. To the extent that Landlord is not entitled to retain or apply the security deposit pursuant to this Section, Landlord shall return such security deposit to Tenant within forty-five (45) days of the termination of this Lease.

23. HAZARDOUS MATERIALS

23.1 No Hazardous Materials. Except for the United States Navy's Section 330 of Public Law 102-484, as amended, Indemnity Obligations and other continuing CERCLA and other hazardous remediation obligations, Tenant covenants and agrees that neither Tenant nor any of its Agents or Invitees shall cause or permit any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises or transported to or from the Premises without the prior written approval of Landlord, which approval may be withheld in Landlord's sole and absolute discretion. Tenant shall immediately notify Landlord if and when Tenant learns or has reason to believe there has been any release of Hazardous Material in, on or about the Premises. Landlord may from time to time request Tenant to provide adequate information for Landlord to determine that any Hazardous Material permitted hereunder is being handled in compliance with all Hazardous Materials Laws, and Tenant shall promptly provide all such information. Landlord and its Agents shall have the right to inspect the Premises for Hazardous Material and compliance with the provisions hereof at all reasonable times upon reasonable advance oral or written notice to Tenant (except in the event of an emergency). Tenant agrees that it shall comply, without limiting the foregoing, with the provisions of Article 21 of the San Francisco Health Code including, without limitation, regarding obtaining and complying with the requirements of an approved hazardous materials management plan. Tenant agrees that it shall comply with the restrictions or limitations set forth in the Navy Deed, the Covenant to Restrict Use of Property (the "CRUP", if any relate to the Premises), and any additional requirements imposed by regulators with jurisdiction over the Premises. Tenant shall be permitted to handle and store waste oil, paint, batteries, fuel and other Hazardous Materials in compliance with Hazardous Materials Laws and in the ordinary course of its operations in order to keep the same from being improperly discarded by Boat Slip Renters.

23.2 Tenant's Environmental Indemnity. Except for liability or costs associated with the United States Navy's continuing CERCLA and other hazardous remediation obligations, if Tenant breaches any of its obligations contained in this Article 23 or if any act or omission or negligence of Tenant or its Agents or Invitees results in any Release of Hazardous Material in, on, under or about the Premises or the Treasure Island property, without limiting Tenant's general Indemnity contained in this Lease, Tenant, on behalf of itself and its Agents, shall Indemnify the Indemnified Parties, and each of them, from and against any and all Hazardous

Materials Claims arising during or after the Term of this Lease and relating to such Release. The foregoing Indemnity includes, without limitation, all costs associated with the investigation and remediation of Hazardous Material and with the restoration of the Premises or the Treasure Island property to its prior condition including, without limitation, fines and penalties imposed by regulatory agencies, natural resource damages and losses, and revegetation of the Premises or other Landlord property. Without limiting the foregoing, if Tenant or any of Tenant's Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Premises or the Treasure Island property, Tenant shall, immediately, at no expense to Landlord, take any and all appropriate actions to return the Premises or other Landlord property affected thereby to the condition existing before such Release and otherwise investigate and remediate the Release in accordance with all Hazardous Materials Laws. Tenant shall provide Landlord with written notice of and afford Landlord a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, permit, approvals, or other compromise or proceeding involving Hazardous Material.

23.3 Acknowledgment of Receipt of EBS and FOST. Tenant hereby acknowledges for itself and its Agents that, before the execution of this Lease, Tenant has received and reviewed the Environmental Baseline Survey (“EBS”) and the Finding of Suitability to Transfer (“FOST”) issued by the U.S. Navy. California law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Tenant is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, office maintenance fluids, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde. Further, there are Hazardous Materials located on the Premises as described in the EBS and the FOST. In addition, California's Proposition 65, Health and Safety Code Section 25249.6 et seq., requires notice that some of these Hazardous Materials are known by the State of California to cause cancer or reproductive harm. By execution of this Lease, Tenant acknowledges that the notices and warnings set forth above satisfy the requirements of California Health and Safety Code Sections 25249.6 et seq., 25359.7 and related statutes.

24. GENERAL PROVISIONS

24.1 Notices. Except as otherwise expressly provided in this Lease, any notice given hereunder shall be effective only in writing and given by delivering the notice in person, or by sending it first class mail or certified mail with a return receipt requested or reliable commercial overnight courier, return receipt requested, with postage prepaid, to the appropriate addresses set forth in the Basic Lease Information. Any Party hereunder may designate a new address for notice purposes hereunder at least ten (10) days before the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first class or certified mail, one day after the date it is made, if sent by commercial overnight carrier, or upon the date personal delivery is made, and any refusal by either Party to accept the attempted delivery of any notice, if such attempted delivery is in compliance with this Section and applicable Laws, shall be deemed receipt of such notice.

24.2 No Implied Waiver. No failure by Landlord to insist upon the strict performance of any obligation of Tenant under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, no acceptance of full or partial payment of Rent due hereunder during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises before the expiration of the Term by any Agent of Landlord, shall constitute a waiver of such breach or of Landlord's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this Lease. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. The consent of Landlord given in any instance under the terms of this Lease shall not relieve Tenant of any obligation to secure the consent of Landlord in any other or future instance under the terms of this Lease.

24.3 Amendments. Neither this Lease nor any term or provision hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the Parties hereto.

24.4 Authority. If Tenant signs as a corporation, a partnership or a limited liability company, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly authorized and existing entity, that Tenant has and is qualified to do business in California, that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon Landlord's request, Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord confirming the foregoing representations and warranties. Without limiting the generality of the foregoing, Tenant represents and warrants that it has full power to make the waivers and releases, indemnities and the disclosures set forth herein, and that it has received independent legal advice from its attorney as to the advisability of entering into a Lease containing those provisions and their legal effect.

24.5 Joint and Several Obligations. The word "Tenant" as used herein shall include the plural as well as the singular. If there is more than one Tenant, the obligations and liabilities under this Lease imposed on Tenant shall be joint and several.

24.6 Interpretation of Lease. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the party responsible for drafting any part of this Lease. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or Landlord

holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used. Unless otherwise provided herein, whenever the consent of Landlord is required to be obtained by Tenant hereunder, Landlord may give or withhold such consent in its sole and absolute discretion.

24.7 Successors and Assigns. Subject to the provisions of Article 14 [Leasehold Mortgages] and Article 17 [Transfers], the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of Landlord and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns.

24.8 Brokers. Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the Lease contemplated herein. In the event that any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall Indemnify the other party from any and all Losses incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

24.9 Severability. If any provision of this Lease, or its application to any person or circumstance, is held invalid by any court, the invalidity or inapplicability of such provision shall not affect any other provision of this Lease or the application of such provision to any other person or circumstance, and the remaining portions of this Lease shall continue in full force and effect, unless enforcement of this Lease as so modified by and in response to such invalidation would be grossly inequitable under all of the circumstances, or would frustrate the fundamental purposes of this Lease, in which case, the parties will negotiate in good faith a replacement provision which is not invalid to accomplish substantially the same intention as the provision held invalid.

24.10 Governing Law. This Lease shall be construed and enforced in accordance with the Laws of the State of California and the federal government.

24.11 Entire Agreement. This instrument (including the exhibits hereto, which are made a part of this Lease) contains the entire agreement between the Parties and supersedes all prior written or oral negotiations, discussions, understandings and agreements. The Parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts of this Lease and any changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease. Tenant hereby acknowledges that neither Landlord nor Landlord's Agents have made any representations or warranties with respect to the Premises or this Lease

except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Tenant by implication or otherwise unless expressly set forth herein.

24.12 Attorneys' Fees. If either party hereto fails to perform any of its respective obligations under this Lease or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Lease, then the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default and/or in enforcing or establishing its rights hereunder, including, without limitation, reasonable Attorneys' Fees and Costs. Any such Attorneys' Fees and Costs incurred by either party in enforcing a judgment in its favor under this Lease shall be recoverable separately from and in addition to any other amount included in such judgment, and such Attorneys' Fees and Costs obligation is intended to be severable from the other provisions of this Lease and to survive and not be merged into any such judgment. For purposes of this Lease, reasonable fees of attorneys in the Office of the San Francisco City Attorney (Landlord's General Counsel) shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City and County of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney. Further, for purposes of this Lease, the term "Attorneys' Fees" shall mean the fees and expenses of counsel to the Parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, librarians and others not admitted to the bar but performing services under the supervision of an attorney. The term "Attorneys' Fees" shall also include, without limitation, all such fees and expenses incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees and costs were incurred. The "prevailing party" shall be determined based upon an assessment of which party's major arguments or positions taken in the action or proceeding could fairly be said to have prevailed (whether by compromise, settlement, abandonment by the other party of its claim or defense, final decision, after any appeals, or otherwise) over the other party's major arguments or positions on major disputed issues. Any Attorneys' Fees incurred in enforcing a judgment shall be recoverable separately from any other amount included in the judgment and shall survive and not be merged in the judgment. The Attorneys' Fees shall be deemed an "actual pecuniary loss" within the meaning of Bankruptcy Code Section 365(b)(1)(B), and notwithstanding the foregoing, all Fees incurred by either party in any bankruptcy case filed by or against the other party, from and after the order for relief until this Lease is rejected or assumed in such bankruptcy case, will be "obligations of the debtor" as that phrase is used in Bankruptcy Code Section 365(d)(3).

24.13 Time of Performance. (a) All performance dates (including cure dates) expire at 5:00 p.m., San Francisco, California time, on the performance or cure date. (b) A performance date which falls on a Saturday, Sunday or City holiday is deemed extended to 5:00 pm on the next business day. For purposes of this Lease, a business day means any day except Saturday, Sunday, or a day on which City and County of San Francisco is closed for business. (c) All

periods for performance or notices specified herein in terms of days shall be calendar days, and not business days, unless otherwise provided herein. (d) Time is of the essence with respect to each provision of this Lease, including, but not limited, the provisions for the exercise of any option on the part of Tenant hereunder and the provisions for the payment of Rent and any other sums due hereunder.

24.14 Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

24.15 Survival of Indemnities. Termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof. Tenant specifically acknowledges and agrees that, with respect to each of the indemnities contained in this Lease, Tenant has an immediate and independent obligation to defend Landlord and the other Indemnified Parties from any claim which actually or potentially falls within the indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Tenant by Landlord and continues at all times thereafter.

24.16 No Joint Venture; Relationship of Parties. Tenant shall have complete control over its employees in the method of performing their work under this Lease. Subject to the requirements of this Lease, Tenant retains the right to exercise full control and supervision of the services and full control of the employment, direction, compensation and discharge of all its employees and Tenant agrees to be solely responsible for all matters relating to its employees. All personnel employed by Tenant shall be employees of Tenant and not of Landlord. Landlord is not, and none of the provisions in this Lease shall be deemed to render Landlord, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. The subject of this Lease is a lease with neither party acting as the Agent of the other party in any respect. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided. The granting of this Lease by Landlord does not constitute authorization or approval by Landlord of any activity conducted by Tenant on, in or relating to the Premises.

24.17 Non-Liability of Indemnified Parties' Officials, Employees and Agents. No elective or appointive board, commission, member, officer or employee of any of the Indemnified Parties shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by Landlord or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of Landlord under this Lease.

24.18 Counterparts. This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

24.19 Authority Consent. Unless stated to the contrary, wherever this Lease requires or

permits the giving by Landlord of its consent or approval, or whenever a waiver, notice, or other instrument or document is to be executed by or on behalf of Landlord, the Authority Director shall be authorized to give or withhold such consent or approval or execute such document on behalf of Landlord, except as otherwise required by applicable Law or Landlord's formation documents.

24.20 Tenant Representations. Tenant represents, warrants and covenants to Landlord as follows, as of the date hereof and as of the Commencement Date:

(a) Valid Existence, Good Standing. Tenant is a limited liability company duly organized and validly existing under the laws of the State of California. Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) Authority. Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated hereby to be performed by Tenant.

(c) No Limitation on Ability to Perform. Neither Tenant's articles of organization or operating agreement, nor any applicable Law, prohibits Tenant's entry into this Lease or its performance hereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. There are no undischarged judgments pending against Tenant, and Tenant and its members have not received notice of the filing of any pending suit or proceedings which might materially adversely affect Tenant's ability to perform under this Lease.

(d) Valid Execution. The execution and delivery of this Lease and the performance by Tenant hereunder have been duly and validly authorized. When executed and delivered by Landlord and Tenant, this Lease will be a legal, valid and binding obligation of Tenant.

(e) Defaults. The execution, delivery and performance of this Lease (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Tenant under (A) any agreement, document or instrument to which Tenant is a party or by which Tenant is bound, (B) any law, statute, ordinance, or regulation applicable to Tenant or its businesses, or (C) the articles of incorporation or bylaws of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) Financial Matters. Except to the extent disclosed to Landlord in writing, neither Tenant nor any of its members (i) have knowledge of a material default under, or received notice asserting that it is in default under, any lease or management agreement or the like, (ii) have filed a petition for relief under any chapter of the U.S. Bankruptcy Code, and (iii) have suffered any material adverse change to its financial condition that could reasonably effect its

ability to perform its obligations under this Lease.

The representations and warranties herein shall survive any termination of this Lease to the extent specified in this Lease.

25. SPECIAL PROVISIONS

In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections

12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) **Non-Discrimination in Benefits.** Tenant does not as of the date of this Lease and will not during the Term, in any of its operations or in San Francisco or with respect to its operations under this Lease elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of Fifty Dollars (\$50.00) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

25.4 MacBride Principles - Northern Ireland. The City urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1, et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Tenant shall be liable for liquidated damages for each violation in an amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

25.6 Prohibition of Alcoholic Beverage Advertising. Except in connection with authorized Uses, Tenant acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this section, "alcoholic beverage" shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing, selling or distributing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of alcoholic beverages, (ii) encourage people not to drink alcohol or to stop drinking alcohol, (iii) provide or publicize drug or alcohol treatment or rehabilitation services or (iv) in connection with an authorized Use.

Tenant shall comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance") which (i) prohibit the use of certain pesticides on City property, (ii) require the posting of certain notices and the maintenance of certain records regarding pesticide usage and (iii) require Tenant to submit to Landlord an integrated pest management ("IPM") plan that (a) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the terms of this Lease, (b) describes the steps Tenant will take to meet the City's IPM Policy described in Section 300 of the Pesticide Ordinance and (c) identifies, by name, title, address and telephone number, an individual to act as Tenant's primary IPM contact person with the City. In addition, Tenant shall comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance.

25.9 Sunshine Ordinance. In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City departments and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

25.10 Conflicts of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provisions, and agrees that if Tenant becomes aware of any such fact during the Term of this Lease, Tenant shall immediately notify Landlord.

25.11 Charter Provision. This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

25.12 Requiring Health Benefits for Covered Employees. Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this Lease as though fully set forth. The text of the HCAO is available on the web at <http://www.sfgov.org/olse/hcao>. Capitalized terms used in this Section and not defined in this Lease shall have the meanings assigned to such terms in Chapter 12Q.

(e) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(f) Notwithstanding the above, if Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with Subsection (a) above.

(g) Tenant's failure to comply with the HCAO shall constitute a material breach of this Lease. Landlord shall notify Tenant if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Tenant fails to commence efforts to cure within

such period, or thereafter fails diligently to pursue such cure to completion, Landlord shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to Landlord.

(h) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Purchasing Department when it enters into such a Subcontract and shall certify to the Purchasing Department that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the Landlord may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that Landlord has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(i) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying Landlord with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(j) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(k) Tenant shall keep itself informed of the current requirements of the HCAO.

(l) Tenant shall provide reports to Landlord in accordance with any reporting standards promulgated by Landlord under the HCAO, including reports on Subcontractors and Tenants, as applicable.

(m) Tenant shall provide Landlord with access to records pertaining to compliance with the HCAO after receiving a written request from Landlord to do so and being provided at least five (5) business days to respond.

(n) Landlord may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with Landlord when it conducts such audits.

(o) If Tenant is exempt from the HCAO when this Lease is executed because its amount is less than Twenty-Five Thousand Dollars (\$25,000) (or [Fifty Thousand Dollars (\$50,000) if Tenant is a qualified nonprofit), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with Landlord to reach Seventy-Five Thousand Dollars (\$75,000), all the agreements shall be thereafter subject to

the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the Contracting Department to be equal to or greater than Seventy-Five Thousand Dollars (\$75,000) in the fiscal year.

25.13 Notification of Limitations on Contributions. Through its execution of this Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City or a state agency on whose board an appointee of a City elective officer serves, for the selling or leasing of any land or building to or from the City or a state agency on whose board an appointee of a City elective officer serves, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six (6) months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Tenant further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Tenant's board of directors; Tenant's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Tenant; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Tenant. Additionally, Tenant acknowledges that Tenant must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Tenant further agrees to provide Landlord the name of each person, entity or committee described above.

25.14 Preservation-Treated Wood Containing Arsenic. As of July 1, 2003, Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

25.15 Resource Efficient City Buildings and Pilot Projects. Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 707 relating to resource-efficient City buildings and resource-efficient pilot projects. Tenant

hereby agrees that it shall comply with all applicable provisions of such code sections.

25.16 Food Service Waste Reduction. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in the San Francisco Environment Code, Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth. This provision is a material term of this Lease. By entering into this Lease, Tenant agrees that if it breaches this provision, Landlord will suffer actual damages that will be impractical or extremely difficult to determine; further, Tenant agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that Landlord will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by Landlord because of Tenant's failure to comply with this provision.

25.17 Estoppel Certificates. At any time and from time to time, within ten (10) days after Landlord's request, Tenant will execute, acknowledge and deliver to Landlord a statement certifying the following matters: (a) the Commencement Date and Expiration Date of this Lease; (b) that this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified and the date and nature of such modifications); (c) the dates to which the Rent has been paid; (d) that there are no Events of Default under this Lease (or if there are any Events of Default, the nature of such Event of Default); and (e) any other matters reasonably requested by Landlord. Landlord and Tenant intend that any such statement delivered pursuant to this paragraph may be relied upon by any assignee of Landlord's interest in the Lease, any mortgagee or any purchaser or prospective purchaser of the building or land on which the Premises are located. Tenant irrevocably appoints Landlord, as Tenant's agent, to execute and deliver in the name of Landlord any such instrument if Tenant fails to do so, which failure shall also be an Event of Default under this Lease.

25.18 Addendum. The terms of the Addendum, if any, attached to this Lease are incorporated into the Lease by reference. In the event of any inconsistency between the Lease and the Addendum, the terms of the Addendum shall control.

25.19 Cooperative Drafting. This Lease has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Lease reviewed and revised by legal counsel. No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

25.20 Criminal History in Hiring and Employment Decisions

(a) Unless exempt, Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; “Chapter 12 T”), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all Leases of some or all of the Premises, and shall require all subtenants to comply with such provisions. Tenant’s failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Tenant and subtenants shall post the notice prepared by the Office of Labor Standards Enforcement (“OLSE”), available on OLSE’s website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or

other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact the City's Real Estate Division for additional information. City's Real Estate Division may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

22.21 Local Hiring Requirements.

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Improvements and Alterations (as defined in Section 7.1) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any construction, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name Landlord and the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

- (1) For each contractor and subcontractor performing Tenant improvements in amounts exceeding the Threshold Amount for a Covered Project, Tenant and its subtenants shall comply with the applicable mandatory participation levels for Project Work Hours performed by Local Residents, Disadvantaged Workers, and Apprentices set forth in Administrative Code §6.22(G)(4).
- (2) For Covered Projects estimated to cost more than \$1,000,000, before commencement of any work subject to the Local Hiring Policy, Tenant and its subtenants shall prepare and submit to Landlord and the City's Office of Economic and Workforce Development (OEWD) for approval a "local hire plan" for the project in accordance with Administrative Code §6.22(G)(6).
- (3) Tenant and its subtenants shall comply with applicable recordkeeping and reporting

requirements and shall cooperate in City inspections and audits for compliance with the Local Hiring Policy, including allowing access to employees of its contractors and subcontractors and other witnesses at the Premises.

(4) Tenant agrees that (i) Tenant shall comply with all applicable requirements of the Local Hiring Policy; (ii) the provisions of the Local Hiring Policy are reasonable and achievable by Tenant and its subtenants; and (iii) Tenant and its subtenants have had a full and fair opportunity to review and understand the terms of the Local Hiring Policy.

(5) Tenant further agrees to use good faith efforts to hire residents of the City and County of San Francisco at all levels of Tenant's personnel needs and to contract with local businesses for Tenant's purchase of supplies, materials, equipment or services.

25.22 Local Hiring Requirements for Special Events.

Unless exempt, if Tenant has a special event on the premises, Tenant must comply with all applicable provisions of the San Francisco Local Hiring Policy in the performance of construction activities during the set-up, execution and strike of Events of four (4) or more consecutive or non-consecutive days. Before starting any Construction Work for Special Events covered under the Local Hiring Policy, Event Sponsor shall contact the City's Office of Economic Workforce and Development ("OEWD") to verify the Local Hiring Policy requirements that apply to the Special Event, and Event Sponsor shall comply with all such requirements. Failure to comply with the obligations in this subsection shall constitute a material breach and may subject Event Sponsor to the consequences of noncompliance specified in the Local Hiring Policy, including but not limited to penalties.

(1) For construction work on events covered by the Local Hiring Policy that exceed \$400,000, a budget of construction activities must be submitted with this application for review by OEWD.

(2) Contractors shall comply with the applicable mandatory participation levels for Project Work Hours performed by Local Residents, Disadvantaged Workers, and Apprentices as set forth in Section 6.22(G)(4).

(3) Contractors shall comply with applicable recordkeeping and reporting requirements and shall cooperate in City inspections and audits for compliance with the Local Hiring Policy, including allowing access to employees of its contractors and subcontractors and other witnesses at the Premises.

25.23. San Francisco Packaged Water Ordinance. Tenant agrees to comply with San Francisco Environment Code Chapter 24 ("Chapter 24"). Tenant shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City's Department of the Environment. If Tenant violates this requirement, the City may

exercise all remedies in this Agreement and the Director of the City's Department of the Environment may impose administrative fines as set forth in Chapter 24.

25.24 Supervision of Minors.

(a) Records Request. If any person applies for employment or for a volunteer position with Tenant, or any subtenant or subcontractor, in which such applicant would have supervisory or disciplinary power over a minor or any person under such applicant's care, then Tenant, and any subtenant or subcontractors providing services at the Premises, shall request from the California Department of Justice records of all convictions or any arrest pending adjudication of such applicant involving the offenses listed in Welfare and Institution Code Section 15660(a), in accordance with the procedures established in California Penal Code Section 11105.3.

(b) Restriction on Hires. If Tenant, or any subtenant or subcontractor, is providing services under this Lease for recreational uses, Tenant shall not hire, and shall prevent its subcontractors from hiring, any person for employment or a volunteer position to provide supervisory or disciplinary power over a minor or any person under his or her care if that person has been convicted of an offense listed in Welfare and Institution Code Section 15660(a). Tenant shall further comply, and cause its subtenants and subcontractors to comply, with Penal Code Section 11105.3(c) and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks.

25.25 Employee Signature Authorization Ordinance. San Francisco Administrative Code Sections 23.50-23.56 requires employers in hotel or restaurant projects with more than fifty (50) employees to enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative, if the City has a proprietary interest in the hotel or restaurant project. Tenant acknowledges and agrees that Tenant shall comply, and it shall cause Tenant's subtenants to comply, with the requirements of these requirements if Tenant operates a restaurant at the Premises.

25.26. Vending Machines: Nutritional Standards and Calorie Labeling Requirements.

Tenant shall not install or permit any vending machine on the Premises without the prior written consent of the TIDA Director. Any permitted vending machine must comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this [Section 28.48] shall be deemed a material breach of this Lease. Without limiting Landlord's other rights and remedies under this Lease, Landlord shall have the right to require the immediate removal of any

vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any restaurant located on the Premises is encouraged to ensure that at least 25% of Meals offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code section 4.9-1(e), as may be amended.

25.27. All-Gender Toilet Facilities

If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City where extensive renovations are made. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact the [Director of Property] for guidance.

Landlord and Tenant have executed this Lease as of the date first written above.
